Dear John,

Price Enquiry

We write with respect to the continuous disclosure Listing Rules.

Listing Rule 10.1.1 ("**the rule**") is set out in the Schedule attached to this letter. In summary, this rule requires issuers to immediately disclose any Material Information to NZX Limited ("NZX"). The rule provides limited exceptions to this obligation. Material Information does not need to be disclosed where a reasonable person would not expect the information to be disclosed *and* where the information is confidential and its confidentiality is maintained *and* where one of five safe harbours applies.

The price of Metro Performance Glass Limited Ordinary Shares ("**MPG**") has decreased from \$1.60, being the market close price on 3 August 2015, to \$1.33, being the market price at 1:30pm on the date of this letter. This represents a total decrease of \$0.27, or 16.9%.

Given this decrease in the price of MPG, please advise NZX whether Metro Performance Glass Limited continues to comply with Listing Rule 10.1.1.

Could you please provide NZX with an answer to the above question (email: surveillance@nzx.com) before **4:00 pm Monday 17 April 2015**.

Please note that Metro Performance Glass Limited's response to this letter will be published in full to the market.

Yours faithfully,
