**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF HUDSON INVESTMENT GROUP LIMITED

AND CONTROLLED ENTITIES**

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Hudson Investment Group Limited and Controlled Entities (the consolidated entity) which comprises the consolidated statement of financial position as at 30 June 2015, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity, the consolidated statement of cash flows for the half-year ended on that date, the accounting policies and other selected explanatory notes and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The Directors of Hudson Investment Group Limited (the company) are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the consolidated entity's financial position as at 30 June 2015 and of its performance for the half-year ended on that date and complying with Australian Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Hudson Investment Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Matters Relating to the Electronic Presentation of the Audited Financial Report

This review report relates to the financial report of the consolidated entity for the half-year ended 30 June 2015 included on the website of Hudson Investment Group Limited. The directors of the company are responsible for the integrity of the website and we have not been engaged to report on its integrity. This review report refers only to the half-year financial report identified above and it does not provide an opinion on any other information which may have been hyperlinked to or from the financial report. If users of this report are concerned with the inherent risks arising from electronic data communications, they are advised to refer to the hard copy of the reviewed financial report to confirm the information included in the reviewed financial report presented on the company's website.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We can confirm that the independence declaration required by the Corporations Act, provided to the directors of Hudson Investment Group Limited and Controlled Entities on 28 August 2015, would be in the same terms if provided to the directors as at the date of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter other than as noted above that makes us believe that the half-year financial report of Hudson Investment Group Limited and Controlled Entities is not in accordance with the *Corporations Act 2001* including:

- (a) Giving a true and fair view of the consolidated entity's financial position as at 30 June 2015 and of its performance for the half-year ended on that date; and
- (b) Complying with AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE HALF-YEAR ENDED 30 June 2015

1. BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL REPORT

a) Reporting Entity

Hudson Investment Group Limited (the "**Company**") is domiciled in Australia. The consolidated interim financial report of the Company as at and for the six months ended 30 June 2015 comprises the Company and its controlled entities (together referred to as the "**consolidated entity**").

The consolidated annual financial report of the consolidated entity as at and for the year ended 31 December 2014 is available upon request from the Company's registered office.

b) Statement of Compliance

The consolidated interim financial report is a general purpose financial report which has been prepared in accordance with AASB 134: *Interim Financial Reporting* and the *Corporations Act 2001*.

The consolidated interim financial report does not include all of the information required for a full annual financial report, and should be read in conjunction with the consolidated annual financial report of the consolidated entity as at and for the year ended 31 December 2014.

This consolidated interim financial report was approved by your Board of Directors.

c) Estimates

The preparation of the interim financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing this consolidated interim financial report, the significant judgement made by management in applying the consolidated entity's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial report as at and for the year ended 31 December 2014.

d) Going Concern

This financial report has been prepared on a going concern basis. As at 30 June 2015 the company has current assets of \$35,000 and current liabilities of \$175,000. However, the \$175,000 represents mainly land tax payable on the investment property which is to be reimbursed by the tenant.

The investment property is fully leased and generates positive cash flow to the group.

The directors believe the company will be able to pay its debts as and when they fall due and to fund near term anticipated activities.
