Collection House releases its Annual Report and Corporate Social Responsibility Report

Collection House Limited (ASX Code: CLH) is pleased to release its Annual Report and second Corporate Social Responsibility (CSR) Outcomes Report. This document builds on the inaugural outcomes report released last year.

Collection House Managing Director and Chief Executive Officer, Mr Matthew Thomas said that the report demonstrated the importance of CSR in the CLH brand and how it underpins the Company's business approach.

"As highlighted in our Annual Report, our ethos, to achieve profitability in a socially and environmentally responsible manner, is given equal credence with our purpose, vision and strategy," Mr Thomas said.

"The investor community expects that companies deliver the highest levels of performance, but not as a result of poor governance or unethical practices. Our CSR program demonstrates how we achieve profitability in a socially and environmentally responsible manner," Mr Thomas said.

This year's CSR report demonstrates the range of positive results from the Group's CSR efforts while also identifying areas that need improvement. It also highlights how the Group worked with various community groups to achieve an enduring and positive difference in the community.

The CSR Outcomes Report and the 2015 Annual Report are available from the Company's website at www.collectionhouse.com.au.
