Dear Sir/Madam

\$5M Standby Convertible Note Facility

ASF Group Limited (“**ASF**”) is pleased to announce that it has secured an irrevocable commitment from Star Diamond Developments Limited (“**Star Diamond**”) which agrees to make available at ASF’s call a convertible note facility (“**CN**”) for up to \$5 million to the Company over the next 12 months period.

The CN, if drawn down, will bear an interest rate of 1% per month with maturity date of 31 December 2016 or later (subject to mutual agreement) and, if converted into ASF shares, at a conversion price representing a 10% discount to 30-day VWAP of ASF shares.

The parties will enter into a CN Deed if the CN is drawdown. Star Diamond has been providing multiple convertible note facilities to ASF over the previous 3 years as have other valued shareholders. With this latest round of funding secured, ASF is well positioned for additional value creation of its portfolio assets.
