Explanatory Notes to Notice of Annual General Meeting

This explanatory memorandum has been prepared to assist members with their consideration of the resolutions to be put to the Annual General Meeting to be held on 17 November 2015. These explanatory notes should be read with, and form part of, the accompanying Notice of Annual General Meeting.

Ordinary business

Item 1: Financial statements and Reports

The first item of the Notice of Annual General Meeting deals with the presentation of consolidated financial report of the Company, the Directors' Report and the Independent Auditor's Report for the financial year ended 30 June 2015. Shareholders are invited to consider these reports and seek explanation, if required, from the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Item 2: Re-election of Directors

Background

Clause 13.5 of the Company's Constitution requires one third of the Directors (excluding the Managing Director) to retire at each Annual General Meeting. If their number is not three or a multiple of three, then the number nearest but not exceeding one-third shall retire from office by rotation. Any Director who retires in accordance with clause 13.5 is eligible for re-election at the Annual General Meeting. There are six Directors who are subject to the rotation provisions, namely Messrs Lim, Leong, Millard, KH Sim, KY Sim and Sze. Two of these Directors must retire and the longest serving Directors are Mr KH Sim and Mr Frank Leong. Both Directors offer themselves for re-election and, being eligible, seek re-election as Directors of the Company.

Mr Kok Hwee Sim

Mr KH Sim was first appointed to the Board as an Alternate Director on 24 July 2006 and made an Executive Director on 21 November 2007. As an Executive Director of the Group, his responsibilities include human resource development, business process improvements, restructuring and acquisitions and treasury management. Mr Sim is also the Managing Director of Biobot Surgical Pte Ltd and Zicom MedTacc Private Limited, the medtech technology accelerator investment company.

Mr KH Sim, son of the Chairman and Managing Director, Mr GL Sim and director of substantial shareholder, SNS Holdings Pte Ltd, graduated with a Bachelor's degree in Industrial Engineering and Operations Research from the University of Michigan with Honours (Magna Cum Laude) and a Master's degree in Financial Engineering from Columbia University, New York.

The Directors (with Mr KH Sim abstaining) recommend that you vote in favour of this resolution.

Mr Frank Leong Yee Yew

Mr Leong has over 16 years of audit experience, having worked in Coopers and Lybrand, Singapore and London from 1974 to 1980, and subsequently as a manager and partner in Patrick Tay & Co from 1980 to 1982. In 1982, Mr Leong joined Wannian Holdings Ltd, a property developer and hotelier, as its group company secretary and financial controller. In 1985, he joined Marina Centre Holdings Pte Ltd, a subsidiary of Singapore Land Ltd, and was its Company Secretary and Financial Controller until March 2005 when he reached the compulsory retirement age. Mr Leong obtained a Master of Business Administration Degree from Strathclyde Graduate Business School, Scotland in 1999. He is a Fellow of the Institute of Chartered Accountants in England and Wales, The Institute of Singapore Chartered Accountants and The Institute of Certified Public Accountants of Australia. He is also a member of the Singapore Institute of Directors since 2001.

The Directors (with Mr Frank Leong abstaining) recommend that you vote in favour of this resolution.

Item 3: Remuneration Report

Section 250R(2) of the Corporations Act 2001 requires that a resolution be put to the shareholders that the remuneration report be adopted at the annual general meeting ("AGM") of a listed company. A reasonable opportunity will be provided for discussion of the remuneration report at the meeting. The resolution is advisory only and does not bind the Directors of the Company. The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' Report contained in the 2015 Annual Report of the Company for the financial year ended 30 June 2015.

Under the Corporations Act 2001, if 25% or more of the votes cast are against the adoption of the remuneration report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all the Company's Directors other than the Managing Director stand for re-election.

At the Company's 2014 AGM, less than 25% of the votes cast were against the remuneration report. Accordingly, the spill resolution is not relevant for this AGM.

Voting Exclusion

Please note that a voting exclusion applies to Resolution 3 as set out in the Notice of Meeting. In particular, Key Management Personnel whose remuneration details are included in the remuneration report may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of the Key Management Personnel. The Chair intends to vote all available proxies in favour of this Resolution.

Special business

Item 4: Grant of Options under Zicom Employee Share and Option Plan

Background

The Company is seeking shareholder approval for the grant of 300,000 options each to Messrs Kok Hwee Sim and Kok Yew Sim under Listing Rule 10.14.

Employee Share and Option Plan

The options are proposed to be granted on the terms and conditions of the Company's Share and Option Plan. A copy of the Plan Rules can be found on the Company's ASX announcements platform.

Remuneration policy

The Company's remuneration policy is set out in detail in the 2015 Annual Report. In summary, the objective of the policy is to ensure that Directors' and executives' remuneration is competitive and appropriate for the results delivered. The remuneration of the Managing Director is reviewed annually by the Board through a process that considers individual key performance indicators and the overall performance of the Company. Fees and payments to other executives and non-executive Directors reflect the demands which are made on, and the responsibilities of those Directors and their contribution towards the performance of the Company. The Board considers that there should be an appropriate mix of remuneration comprising cash and securities for all Directors to link the remuneration of the Directors to the financial performance of the Company.

The Directors consider this remuneration policy to be a sensible and balanced policy which aligns the interests of shareholders and all Directors.

Shareholder approval is sought for the grant of options to Directors.

Corporation Act and Listing Rules requirements

Section 208 of the Corporations Act (Act) provides that the Company must not give a financial benefit to a related party except under certain circumstances including, where the benefit is "reasonable remuneration" or circumstances in which the shareholders approve the giving of the financial benefit.

The Directors consider that the proposed grant of Options is reasonable remuneration for each proposed grantee and in accordance with the Company's remuneration policy.

ASX Listing Rule 10.14 provides that a listed company must not permit a Director to acquire any equity securities (which include options over unissued Shares) under an employee incentive scheme without the approval of shareholders.

Accordingly, shareholder approval is sought under ASX Listing Rule 10.14 for the proposed grant of Options to Executive Directors, other than the Managing Director.

Opportunity costs

(i) Dilution of capital

If all options granted to the related parties were exercised, the capital structure of the Company will be as follows:

	Existing Capital Structure	After Grant of Options
Ordinary shares	216,580,780	217,180,780

Until exercised, the grant of the Options will not impact on the number of ordinary shares on issue in the Company. But if all Options of the related parties were exercised, an additional 600,000 Shares would be issued representing approximately 0.28% of all Shares.

(ii) Foregone capital inflow

The rights of Option holders to subscribe, and the obligation of the Company to issue, Shares at an exercise (issue) price of A\$0.18 each may result in capital foregone by the Company to the extent that the market price of the Company's securities exceeds the issue price of the Shares under the Options on the day of allotment of the Shares by the Company.

Value of benefit

The Options will not be admitted to quotation on ASX and accordingly have no readily identifiable market value.

As a result, the Directors used the Hull-White trinomial lattice model to value the Options. For the purpose of this Notice, the value of Options using the Hull-White trinomial lattice model approximates A\$0.06 each (A\$37,513.20 in total). Lattice models are based on the same underlying option pricing theory as the Black-Scholes model. This model is a function of the relationship between a number of variables principally being the share price, the option exercise price, the time to expiry, the risk free interest rate and the volatility of the Company's underlying share price.

The application of the model therefore requires a number of inputs, some of which must be assumed. The material assumptions used in the model were:

- Exercise price of the Options is A\$0.18 each
- Maximum Option life is 5 years
- Risk free rate is 2.50%
- A volatility factor of 35.66%.

Remuneration

The remuneration for Messrs KH Sim and KY Sim for the financial year ended 30 June 2015 is detailed in the Company's Annual Report and is summarised below:

Name	Cash Salary & Fees S\$	Short Term Cash S\$	Other Short Term Employee Benefits S\$	Super-annuation S\$	Share-Based Payment S\$	Total S\$
Mr Kok Hwee Sim	170,995	105,000	12,000	13,900	807	302,702
Mr Kok Yew Sim	149,332	-	44,400	9,900	807	204,439

Interests in shares and options

The current relevant interest in shares and options in the Company of Messrs KH Sim and KY Sim as at the date of this notice are as follows:

	Shares	Options
Mr Kok Hwee Sim	1,258,180	280,000
Mr Kok Yew Sim	1,070,253	280,000

Use of funds

No funds will be raised from the issue of the Options as they will be issued to the Directors for no consideration.

All funds received from the exercise of the Options will be applied towards the working capital and cash requirements of the Company at the time of the exercise of the Options.

Proposed date of issue of the options

If the proposed resolutions are passed, the Company will issue the Options to the Directors as soon as practicable and in any event not later than one month after the resolution is passed. The Options will vest in accordance with the below terms.

Option terms and conditions of grant

1. Each Option entitles the holder, on exercise and payment of the exercise price in accordance with these terms, to one fully paid ordinary share in the capital of the Company.
2. The Options shall expire at 5.00 pm Brisbane time on 30 November 2020 ("Expiry Date").
3. All related party's Options will vest on 1 December 2016 ("Vesting Date").
4. Each Option is exercisable at a price of A\$0.18 ("Exercise Price") at any time after the applicable Vesting Date and prior to the Expiry Date.
5. The Options will not be admitted to quotation on ASX and are not transferable.
6. In the event that a related party ceases to be a Director or otherwise employed by the Company, all of that related party's unexercised Options, whether vested or unvested, will be forfeited for no consideration.
7. All Shares to be allotted pursuant to the exercise of Options will be allotted within 10 business days of exercise of the Options and will rank equally in all respects with the Company's then existing fully paid ordinary shares. Subject to the securities of the Company being listed on ASX and to any restrictions imposed on the Options or Shares issued upon exercise of the Options under the ASX Listing Rules, the Company will apply for official quotation by ASX of all Shares issued upon exercise of the Options on or before the third ASX trading day after the date of allotment of the Shares.
8. A certificate will be issued for the Options. Exercise of the Options is effected by completing the notice of exercise of the Options on the reverse side of the option certificate and surrendering the certificate to the Company together with the required Exercise Price. If there is more than one Option on a certificate and prior to the Expiry Date those Options are exercised in part, the Company will issue another certificate for the balance of the Options held and not yet exercised.
9. There are no participating rights or entitlement inherent in the Options and holders will not be entitled to participate in new issues of capital offered to shareholders during the currency of the Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least six business days after the issue is announced. This will give Option holders the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.

10. If the Company makes an issue of ordinary shares pro rata to existing shareholders (other than an issue in lieu of in satisfaction of dividends or by way of dividend reinvestment) the Exercise Price of the Option will be reduced according to the following formula:
- $$\text{New exercise price} = \frac{O - \frac{E[P-(S+D)]}{N + 1}}$$
- O = the old exercise price of the Option.
- E = the number of underlying Shares into which one Option is exercisable.
- P = the average market price per underlying Shares (weighted by reference to volume) during the 5 trading days ending on the day before the ex-rights date or ex-entitlements date.
- S = the subscription price of a Share under the pro rata issue.
- D = the dividend due but not yet paid on the existing underlying Shares (except those to be issued under the pro rata issue).
- N = the number of Shares with rights or entitlements that must be held to receive a right to one new Share.
11. In the event of any reconstruction (including a consolidation sub-division, reduction or return) of the issued capital of the Company, the number of Options or the exercise price of the Options or both shall be reconstructed (as appropriate) in the manner required by the ASX Listing Rules. In such event the Company has the power to vary the number of Options or the exercise price of the Options or the number of Shares to be issued upon exercise of the Options or any all of these as the Directors reasonably consider necessary solely in order to comply with the ASX Listing Rules. This compliance with the ASX Listing Rules will be applied whether the securities of the Company are listed or not on ASX.
12. In the event of any merger or acquisition of the Company, the Company has the power to cancel all Options that have not been exercised.
13. Words and expressions in these terms and conditions of grant which are used in the ASX Listing Rules have the same meanings given to them in the ASX Listing Rules.

Taxation

As far as the Company is aware, there are no adverse taxation consequences to the Company arising from the proposed grant of the Options.

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both forms together.
