## **About Disruptive Investment Group Limited (ASX:DVI)**

Disruptive Investment Group Limited (**DVI**) is a technology investment company listed on the Australian Securities Exchange (ASX: DVI). It focuses on niche markets with attractive growth prospects and has partnered with high quality and established businesses in order to maximise shareholder value.

DVI's business strategy involves taking material stakes in profitable businesses, operating in large markets with a differentiated business model.

DVI has a highly experienced board and management team that has a history in technology, corporate finance and sales, which it applies to increase the growth and profitability of its investments. The Board is committed to providing management with the assistance and contacts required, in order to take their businesses to the next level.

Currently, DVI is a significant shareholder in two growing Australian technology companies:

- Find Solutions Australia Pty Ltd (**FSA**), owner and operator of iBuyNew.com.au (iBuyNew). iBuyNew is an online, off-the-plan property platform operating in Australia's eastern states. DVI currently holds 50% of FSA and has the option to increase its holding. FSA has been profitable since inception and has delivered consistent growth during the last five years.
- Professional Performance Systems Pty Ltd (**PPS**), owner and operator of BYOjet. BYOjet is an Australian owned and operated online travel agency and technology platform encompassing a number of travel websites offering travel and accommodation booking and services. BYOjet operates in the B2C market via its Australia, New Zealand and Singapore flagship websites and it services the B2B market through its JETMAX white label offering.

DVI is focused on further growth using its existing acquisition protocols to drive synergies within retail, franchise and e-commerce sectors as well as other markets.
