## **ASX ANNOUNCEMENT**

22 October 2015

### **BEYOND INTERNATIONAL LIMITED (ASX:BYI)**

Beyond International Limited (ASX:BYI) and Discovery have decided that the final season of Mythbusters, consisting of 13 episodes, will air on the Discovery Channel in the USA from January 2016.

Two hundred and forty eight (248) episodes of Mythbusters have been produced by Beyond Productions and all episodes will continue to be licensed to media platforms throughout the world by Beyond Distribution.

It is not expected this decision will materially impact the financial results of Beyond in the 2016 financial year. The Company has a number of new series in development and pre production to be commissioned that will mitigate the financial impact of Mythbusters series production coming to an end.
