EXPLANATORY MEMORANDUM

This Explanatory Memorandum forms part of the Notice convening the Annual General Meeting of shareholders of Minotaur Exploration Limited to be held on 26 November 2015. This Explanatory Memorandum is to assist shareholders in understanding the background to and the legal and other implications of the Notice and the reasons for the resolutions proposed. Both documents should be read in their entirety and in conjunction with each other.

Other than the information set out in this Explanatory Memorandum, the Directors believe that there is no other information that could reasonably be required by shareholders to consider Resolutions 1 to 4 (inclusive).

1. RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

The Annual Report for the year ended 30 June 2015 contains a Remuneration Report which sets out the remuneration policy of the Company.

An electronic copy of the 2015 Annual Report is available to download or view on the Company's website at <http://www.minotaurexploration.com.au/investor-information/annual-reports>. The 2015 Annual Report has also been sent by post to those shareholders who have previously elected to receive a hard copy. In addition, the Company has also enabled online voting, details of which are explained on the proxy form.

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote of the Company. Shareholders should note that the vote on Resolution 1 is advisory only and, subject to the matters outlined below, will not bind the Company or the Directors. However, the Board will take the outcome of the vote into consideration when reviewing the Company's remuneration policy.

Section 250R(4) of the Corporations Act prohibits a vote on this resolution being cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, under section 250R(5) of the Corporations Act a person described above may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the person is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- (b) the person is the chair of the meeting and the appointment of the chair as proxy:
 - (i) does not specify the way the proxy is to vote on the resolution; and
 - (ii) expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company or, if the Company is part of a consolidated entity, for the entity.

Please note that if the chair of the meeting is your proxy (or becomes your proxy by default), you expressly authorise the chair to exercise your proxy on Resolution 1 even though it is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company, which includes the chair. If you appoint the chair as your proxy

you can direct the chair to vote for or against or abstain from voting on Resolution 1 by marking the appropriate box on the proxy form.

The chair intends to vote undirected proxies in favour of Resolution 1.

Resolution 1 is an ordinary resolution.

Please also note that under sections 250U and 250V of the Corporations Act, if at two consecutive annual general meetings of a listed company at least 25% of votes cast on a resolution that the remuneration report be adopted are against adoption of the report, at the second of these annual general meetings there must be put to the vote a resolution that another meeting be held within 90 days at which all directors (except the managing director) who were directors at the date the remuneration report was approved at the second annual general meeting must stand for re-election. So, in summary, shareholders will be entitled to vote in favour of holding a general meeting to re-elect the Board if the Remuneration Report receives 'two strikes'. The Remuneration Report did not receive a 'first strike' at the Company's 2014 annual general meeting.

2. RESOLUTION 2: RE-ELECTION OF DEREK CARTER AS DIRECTOR

In accordance with Listing Rule 14.4 and rule 6.1 of the Constitution at every Annual General Meeting one third of the Directors for the time being or, if their number is not three or a multiple of three, then the number nearest to but not exceeding one third of the Directors for the time being (excluding those who retire under rule 9.2 of the Constitution) must retire from office and are eligible for re-election. Accordingly, Mr Derek Carter retires as a Director of the Company and, being eligible, offers himself for re-election.

A resume for Mr Carter follows:

Derek Carter, BSc, MSc, FAusIMM (CP)

Derek Carter has over 40 years experience in exploration and mining geology and management. He held senior positions in the Shell Group of Companies and Burmine Ltd before founding Minotaur Gold Ltd in 1993. He is currently Chairman of Minotaur Exploration Ltd and Highfield Resources Ltd and a former Chairman of Petrathern Ltd (resigned 31 March 2014). He is a board member of Intrepid Mines Ltd and a former board member of Mithril Resources Ltd (resigned 31 December 2014) and Toro Energy Ltd (resigned 28 November 2012), all ASX listed companies. Mr Carter is a former President of the South Australian Chamber of Mines and Energy, a former board member of AusIMM, a former board member of the Australian Gold Council, is a member of the South Australian Minerals and Energy Advisory Council and the South Australian Minerals and Petroleum Experts Group, and a former Chairman of the Minerals Exploration Advisory Group. He was awarded AMEC's Prospector of the Year Award (jointly) in 2003, received the AusIMM President's Award in 2010 and is a Centenary Medallist. As Chairman of Minotaur Exploration Ltd, he is responsible for the management of the board as well as the general strategic direction of the Company.

Resolution 2 is an ordinary resolution.

The Directors (other than Mr Carter) recommend that shareholders vote in favour of Resolution 2.

The chair intends to vote undirected proxies in favour of Resolution 2.

3. RESOLUTION 3: APPROVAL OF 10% PLACEMENT FACILITY

3.1 General

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued ordinary share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the eligible entity's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities which may be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 3.2(c)).

3.2 **Description of Listing Rule 7.1A**

(a) **Shareholder approval**

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue the following classes of Equity Securities:

- ordinary shares quoted on ASX
- options not quoted on ASX

(c) **Formula for calculating 10% Placement Facility**

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period (refer to section 3.2(f)), a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement:
- plus the number of fully paid ordinary shares issued in the 12 months under an exception in Listing Rule 7.2;
 - plus the number of partly paid ordinary shares that became fully paid in the 12 months;

- plus the number of fully paid ordinary shares issued in the 12 months with approval of holders of ordinary shares under Listing Rules 7.1 and 7.4;
- less the number of fully paid ordinary shares cancelled in the 12 months.

(Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.)

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 180,074,588 ordinary shares and therefore has a capacity to issue:

- (i) 27,011,188 Equity Securities under Listing Rule 7.1; and
- (ii) subject to shareholder approval being obtained under Resolution 3, 18,007,458 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 3.2(c)).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within five Trading Days of the date referred to in section 3.2(e)(i), the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; and

- (ii) the date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

3.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period in addition to using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of at least 75% of the votes cast by shareholders entitled to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative) on the Resolution.

3.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows to the extent that such information is not disclosed elsewhere in this Explanatory Memorandum:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within five Trading Days of the date in section 3.4(a)(i), the date on which the Equity Securities are issued.
- (b) There is a risk that:
 - (i) the market price for the Company's Equity Securities in the same class may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities in the same class on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the risk of voting dilution of existing shareholders on the basis of the current market price of shares and the current number of ordinary shares for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary shares the Company has on issue. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require shareholder approval (for example, a pro rata entitlements issue) or future specific

placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and

- (ii) two examples of where the issue price of ordinary shares has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in formula in Listing Rule 7.1A.2		Issue Price		
		\$0.028 50% decrease in issue price	\$0.056 issue price	\$0.112 100% increase in issue price
Current Variable 'A' 180,074,588 shares	10% voting dilution	18,007,458 shares	18,007,458 shares	18,007,458 shares
	Funds raised	\$504,209	\$1,008,418	\$2,016,835
50% increase in current Variable 'A' 270,111,882 shares	10% voting dilution	27,011,188 shares	27,011,188 shares	27,011,188 shares
	Funds raised	\$756,313	\$1,512,627	\$3,025,253
100% increase in current Variable 'A' 360,149,176 shares	10% voting dilution	36,014,917 shares	36,014,917 shares	36,014,917 shares
	Funds raised	\$1,008,418	\$2,016,835	\$4,033,671

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No current options are exercised into shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular shareholder by reason of placements pursuant to the 10% Placement Facility, based on that shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A and no other issues of Equity Securities.
- The issue of Equity Securities under the 10% Placement Facility consists only of shares.
- The issue price is \$0.056, being the closing price of the shares on ASX on 30 September 2015.

- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
 - (i) non-cash consideration for the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as referred to in the Note to Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.
- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.
- (f) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities and the number of Equity Securities allotted to each will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
 - (i) the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which the existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments or the nominee of such vendors.

- (g) The Company previously obtained shareholder approval under Listing Rule 7.1A at its 2014 Annual General Meeting. The Company has not issued any Equity Securities in the 12 months preceding the date of this Meeting.
- (h) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing shareholder's

votes will therefore be excluded under the voting exclusion statement in the Notice.

Resolution 3 is a **special resolution**.

The Directors recommend that shareholders vote in favour of Resolution 3.

The chair intends to vote undirected proxies in favour of Resolution 3.

4. **RESOLUTION 4: AMENDMENT TO CONSTITUTION – UNMARKETABLE PARCELS**

Rule 149 of the Constitution permits the Company to sell the securities of a holder who has less than a marketable parcel of those securities, being a holding that has a value of less than \$500 (**Unmarketable Parcel**), on certain conditions.

The purpose of rule 149 is to facilitate the sale by the Company of Unmarketable Parcels, thereby striking an appropriate balance between the rights of shareholders, and the need for the Company to be able to effect such sales of small shareholdings on behalf of shareholders, to reduce the significant administration and other costs to the Company of maintaining a large share register, whilst also allowing shareholders with Unmarketable Parcels to sell their shares without incurring brokerage costs.

Rule 149 of the Constitution currently provides that when the Company sells Unmarketable Parcels, it must do so at a price or for a consideration which in the opinion of the Directors has a value not less than a minimum sale price, being the weighted average sale price of the relevant securities sold on ASX during a period of five consecutive trading days immediately preceding the date of the notice sent by the Company to a member holding an Unmarketable Parcel advising that the Company intends to sell that Unmarketable Parcel on the member's behalf, rounded off to the nearest half cent or, if there are no sales of the relevant securities on ASX during that period, the sale price which in the opinion of the directors is a fair and reasonable price for those securities immediately prior to that date (**Minimum Sale Price**).

There will be a significant cost to the Company if, due to a fall in the Company's share price after the Company notifies a holder of an Unmarketable Parcel that it intends to sell the Unmarketable Parcel, the Minimum Sale Price is greater than the proceeds of sale of the Unmarketable Parcel. The Directors consider that it would not be prudent for the Company to sell Unmarketable Parcels while this risk of significant cost to the Company exists. In the current circumstance, the Company is effectively prevented from undertaking a sale of Unmarketable Parcels and therefore taking advantage of the intended benefits of a sale of Unmarketable Parcels.

To overcome this problem, Resolution 4 seeks approval of a proposed amendment to the Constitution to replace the requirement that the sale of an Unmarketable Parcel occur at the Minimum Sale Price with the requirement that an Unmarketable Parcel must be sold for a price or for a consideration which in the opinion of the Directors is the best reasonably available for the securities when they are sold.

Section 136(2) of the Corporations Act provides that a company may modify its constitution, or a provision of its constitution, by special resolution.

Resolution 4 is a **special resolution**.

The Directors recommend that shareholders vote in favour of Resolution 4.

The chair intends to vote undirected proxies in favour of Resolution 4.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
