NEW DEBT FACILITY

Indoor Skydive Australia Group Limited (ASX: IDZ) today announced that it has entered into a \$6.15 million debt facility with Westpac Banking Corporation.

The facility was obtained through an extensive tender process resulting in competitive terms and pricing. The new five-year, secured facility contains manageable covenants and will provide ISA Group with financial flexibility.

The Board of ISA Group has identified debt financing as the preferred form of funding for the Company's growth at this time. The facility will provide ISA Group with access to appropriately priced funding to support our construction projects, manage contingencies and enable us to act on opportunities as they arise.

ISA Group CEO, Wayne Jones said, "ISA Group's agreement with Westpac reflects the underlying strength of the business and it's future growth profile"

"The agreement will result in a reduction in the weighted average costs of capital, provide flexibility for our operations and room for growth. This is an important step as the company matures into a multi-facility operation."
