CONTINUOUS DISCLOSURE: PROFIT GUIDANCE FOR 2015-16 FINANCIAL YEAR

PTB Group is pleased to announce strong operating performance in the quarter to 30 September 2015.

Directors now expect operating profit before tax, excluding foreign exchange gains and losses, to be between \$3.8 million and \$4.2 million for the 2015-16 financial year. This compares to the actual result of \$3.3 million for the 2014-15 financial year.

The September quarter performance has been predominantly driven by recurring improvements including increased aircraft rental revenue due to the return of three aircraft to service, reduced overhead costs and increased sales margins for the PT6 Workshop.

	Quarter to 30 September 2015	Guidance for the fully 2015-2016 financial year	
	Unaudited Actual	Low	High
Operating profit before tax (excluding foreign exchange gains and losses)	\$1.562M	\$3.800M	\$4.200M

Yours sincerely

Craig Baker
Managing Director
