## **UK based SABIAN PROJECTS signs with Urbanise**

Urbanise.com Limited (Urbanise) (ASX:UBN) announced today that it has entered into a Hosted Services Agreement (HSA) with SABIAN PROJECTS (Sabian) - a leading consulting and contracting provider.

Under the agreement, Sabian will use the Operations Centre, Mobile Workforce and functionality of the Urbanise Industry Cloud platform to deliver Residential and Commercial Services to a potential customer base of 154,000 residents, serviced by a team of 100 workforce operatives and over 50 commercial buildings.

Having recently completed the fit out of retail units at the newly created 'Grand Central' retail development within the refurbished New Street Station in Birmingham, Sabian also delivers large-scale refurbishment and fit out projects to clients including Land Securities and Blue Water Shopping Centre in the United Kingdom, and Arabian Centre Shopping Centre in Dubai.

Commenting on the announcement Sabian Operations Director Stephen Corkish said, *"The Urbanise Platform is a simple to operate technology that provides clients and end users with the full spectrum of 24 hour - 365 day services they need. We are delighted to be one of the first companies to pioneer this globally proven cloud based technology in the UK and are looking forward to expanding our range of services with the support of Urbanise's advanced technology."*

Urbanise CEO Ben Churchill added, *"We are pleased to be working with such a prominent consulting and contracting organisation as Sabian. Their choice to use the Urbanise Industry Cloud to take advantage of our advanced user-friendly technology is another great example of how industry leaders are selecting Urbanise to optimise their traditional business and generate additional revenue streams."*

Urbanise will receive variable platform usage fees (Pay As You Grow) calculated on a monthly basis.

-Ends-

### **About SABIAN PROJECTS**

Sabian is an independent chartered consultancy providing a comprehensive range of consulting, contracting, projects delivery, facilities management, property, retail and design services. They enjoy excellent relationships with their many industry partners, based not only on dynamic management of projects from inception through to completion but also by fully aligning themselves with their client's staff and organisations and adding value to their property portfolios and projects within the boundaries of time, cost, quality and safety.
