Dear Shannon

**Black Oak Minerals Limited – Voluntary Suspension Request**

Black Oak Minerals Limited (**Black Oak** or **Company**) requests that an immediate voluntary suspension be granted by ASX with respect to the Company's securities (ASX code: **BOK**).

In accordance with ASX Listing Rule 17.2, Black Oak provides the following information:

1. The voluntary suspension is requested pending the release of an announcement to the market regarding the financial position of the Company. This request follows the request for a trading halt on 25 November 2015, pending the release of an announcement to the market regarding an update to the ore reserves of the Company and the consequent effect on the financial position of the Company. The Company remains in discussions with its stakeholders regarding the financial position of the Company, and is not in a position to make an announcement at this time. The voluntary suspension is requested, as otherwise trading in the Company's securities may occur in an uninformed market.
2. Black Oak requests the voluntary suspension continue until the earlier of the commencement of normal trading on Tuesday, 1 December 2015 and when Black Oak makes an announcement to the market and requests that the voluntary suspension be lifted.

Black Oak is not aware of any reason why the voluntary suspension should not be granted.

Yours faithfully

**David Kinsman**  
**Company Secretary**  
**Black Oak Minerals Limited**
