

**ASX RELEASE
FOR IMMEDIATE RELEASE
8 December 2015**

EBET CHANGES COMPANY NAME TO INTECQ LIMITED

At the eBET Limited Annual General Meeting held on 24 November 2015, shareholders approved a special resolution to change the name of the listed company to INTECQ Limited ("INTECQ" or "Company").

The name change is now effective and the Company's ASX code will change from EBT to ITQ at the commencement of trading on the ASX today.

The company's two operating businesses, eBET and Odyssey Gaming, will continue to trade under their existing brands, with no change to their operations.

Mr Paul Oneile, Chairman of INTECQ Limited, said: "The name INTECQ more accurately reflects the growth of our business, its increasing diversity and the broadening of our technology-based offering.

"Looking to the future, INTECQ will explore new growth opportunities to leverage our technology, infrastructure and technical expertise.

"We are excited by the opportunities that lie ahead and are well placed to pursue these given our platform of operational and administrative capabilities and competitive advantage in gaming systems."

The Company's new corporate website, www.intecq.com, will be operational on 8 December 2015. Until then, investors can continue to access information at www.ebetgroup.com

About INTECQ

INTECQ Limited is a technology company, listed on the Australian Securities Exchange (ASX: ITQ) with headquarters in Sydney, Australia. Its scale and diversity, commitment to excellence, innovative technologies and superior customer service underpins the company's growth and expansion across jurisdictions, markets and sectors.

The company operates two business divisions, eBET and Odyssey Gaming, which provide technology solutions to gaming venues. They provide integrated gaming technology solutions, including gaming management systems, Licensed Monitoring Operator (LMO) services and business intelligence tools and expertise.

The company operates across Australia and the Asia-Pacific region and has commercial agreements with over 800 customers, operating over 69,800 electronic gaming machines.
