LETTER FROM THE CHAIRMAN

11 December 2015

Dear Shareholder

As detailed in the Remuneration Report within the Directors' Report of the Company's Annual Reports, the Company has a Remuneration Policy that is designed to align director and key management personnel objectives with shareholder and business objectives by providing a remuneration component and offering specific incentives based on key performance areas affecting the Group's financial results.

Options are a sound long-term incentive to increase goal congruence between management, directors and shareholders.

The current options on issue to Mike Veverka (a Director and CEO of the Company) and to KMP and senior staff of the Company, are well 'out-the-money' at an Exercise Price of \$4.00 and realistically, based on the present market price and information available, are unlikely to vest by expiry in 2018.

The recent 1,700,000 Options at \$1.75 expiring 18 November 2020 to KMP and senior staff approved by the Board on 18 November 2015, and the proposed 500,000 Options at \$1.75 expiring in 5 years to Mike Veverka (a Director and CEO of the Company), are designed to re-incentivise management and maintain their focus on increasing revenue and managing costs to increase profitability and the underlying market value of the Company.

Based on the above, the Board unanimously recommends that shareholders vote in favour of the Resolutions as detailed in the EGM Notice (including Explanatory Memorandum) being sent to you with this letter.

Yours faithfully

David K Barwick
Chairman

Explanatory Memorandum

1. Introduction

This Explanatory Memorandum is provided to Shareholders of Jumbo Interactive Limited ACN 009 189 128 (**Company**) to explain the Resolutions to be put to Shareholders at the Extraordinary General Meeting to be held in the Boardroom, Jumbo Interactive Limited, Level 1, 601 Coronation Drive Brisbane, Queensland, on Thursday 14 January 2016, commencing at 5:00pm (Brisbane time).

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

Terms used in this Explanatory Memorandum are defined in Section 7.

2. Resolution 1: Ratification of Issue of Management Options

The purpose of Resolution 1 is for Shareholders to ratify and approve, pursuant to ASX Listing Rule 7.4, those security issues which occurred during the 12 months before the date of this Annual General Meeting which would otherwise count toward the Company's 15% capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides that (subject to certain exceptions, none of which are relevant here) the prior approval of Shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the company during the previous 12 months, exceed 15% of the number of the shares on issue at the commencement of that 12 month period (**15% Capacity**).

ASX Listing Rule 7.4 provides that where a company ratifies an issue of securities, the issue will be treated as having been made with approval for the purpose of ASX Listing Rule 7.1, thereby replenishing the Company's 15% Capacity and enabling it to issue further securities in the future without prior shareholder approval, utilising its 15% Capacity.

The allotment and issue of securities detailed in Resolution 1 (**Management Options**) did not exceed the 15% threshold when those securities were issued. However, the Company seeks to utilise Listing Rule 7.4 so that the Management Options do not take up any of the Company's 15% capacity.

Accordingly, Resolution 1 proposes the ratification and approval of the allotment and issue of the Management Options for the purpose of satisfying the requirements of ASX Listing Rule 7.4.

The information required to be provided to shareholders to satisfy ASX Listing Rule 7.4 is specified in ASX Listing Rule 7.5. In accordance with ASX Listing Rule 7.5, members are advised of the following particulars in relation to the allotment and issue of the Management Options:

Date of issue	18 November 2015
Number of securities issued	1,700,000 options
Issue price per security	Nil
Terms of securities issued	<ul style="list-style-type: none">• Each option is exercisable over 1 ordinary share.• Exercise price is \$1.75 per share.• Expiry date is 18 November 2020.• Options will not be quoted.• Company will seek quotation of Shares issued upon exercise of the options, which will rank pari passu with all other Shares on issue in the Company.

Explanatory Memorandum

Persons to whom securities were issued or basis on which allottees were determined	Certain eligible executives having regard to their seniority, position, length of service, record of employment, potential contribution to growth and profitability of the Company or any associated company, the extent of the person's existing participation (if any) in the Company's Employee Option Plan and any other matters which the Board considered relevant at the time. No Directors or Related Parties of the Company were invited to participate in the issue.
Use of funds raised by the issue	No funds were raised from the issue of the Management Options.

Directors' Recommendation:

The Board unanimously recommends that Shareholders (who are eligible to vote on this Resolution) vote in favour of the ratification of the issue.

3. Resolution 2: Issue of Options to a Director

3.1 Introduction

The Company is seeking approval from the Shareholders for the proposed grant of options (**Director Options**) to Mr Mike Veverka, a Director of the Company. Further details of the Director Options are set out below.

Listing Rule 10.11 requires shareholder approval for the issue of securities to a Related Party. Mr Veverka is a Related Party as he is a Director of the Company. Accordingly, Shareholder approval for the issue of the Director Options is sought in accordance with Listing Rule 10.11. If approval is given under Listing Rule 10.11, approval will not be required under Listing Rule 7.1.

3.2 Listing Rule 10.13

For the purpose of Listing Rule 10.13, which prescribes certain information to be contained in the notice of meeting where approval is sought under Listing Rule 10.11, the Company advises as follows:

10.13.1 and 10.13.4	Option Recipient	Mike Veverka (or his nominee) who is a Director.
10.13.2	Number of Director Options	500,000
10.13.3	Date of issue	Following shareholder approval, the Company will issue the Director Options as soon as practicable and no later than 1 month after the date of the meeting.
10.13.5	Issue Price and Terms	
	Price	The Director Options will be issued for no consideration.
	Exercise Price	\$1.75
	Vesting Date	On date of exercise

Explanatory Memorandum

	Expiry Date	5 years from the date of issue
	Terms	Options will not be quoted. Company will seek quotation of Shares issued upon exercise of the options, which will rank pari passu with all other Shares on issue in the Company. A summary of the material terms of the Director Options is set out in Appendix 1.
10.13.6	Voting Exclusion Statement	A voting exclusion statement is contained on page 3 of the notice of meeting.
10.13.6A	Use of funds raised	No funds will be raised from the issue of the Director Options

3.3 Valuation

The Director Options are not currently quoted on the ASX and as such have no market value. The Director Options each grant the Option Recipient a right to be issued one ordinary share in the Company upon exercise of the Director Option and payment of the Exercise Price of the Director Option. Accordingly, the Director Options may have a present value at the date of their grant.

The Director Options may acquire future value dependent upon the extent to which the price of the Shares at any time exceeds the Exercise Price of the Director Options during the term of the Director Options.

As a general proposition, options to subscribe for ordinary fully paid shares in a company have value. Various factors impact upon the value of options including things such as:

- the period outstanding before the expiry date of the options;
- the exercise price of the options relative to the underlying price or value of the securities into which they may be converted;
- whether or not the shares that might be acquired upon exercise of the options represent a controlling or other significant interest;
- the value of the shares into which the options may be converted; and
- whether or not the options are listed (ie readily capable of being liquidated).

Under Australian Accounting Standard AASB 2 the fair value of the Director Options is measured by reference to the fair value of the equity instrument granted and must be recognized as an expense in the Company's Income Statement. The expense recognised will not be deductible for income tax purposes. Consistent with that Standard, the Company discloses the following information confirming the value of the options to be issued.

There are various formulae which can be applied to determining the theoretical value of options (including the formula known as the Monte Carlo Option Valuation Model which is often used in valuing employee and director options).

The Company has sought an independent check of the valuation of the Director options. The Monte Carlo Model was used to value the Director Options and determines the value of an option as a function of a number of variables, some which must be assumed. The data and assumptions relied upon in applying the Monte Carlo Model was:

Explanatory Memorandum

Assumed data	
Current share price of the underlying Shares as at 10 November 2015	\$1.095
Exercise price of the options	\$1.75
Volatility of the share price	47.452%
Vesting conditions	<ul style="list-style-type: none"> the market price of Jumbo Interactive Limited shares to equal the exercise price, where the market price is the average market price per security (weighted by reference to volume) of the underlying securities during the preceding five (5) trading day period; and be employed within the Jumbo Interactive Limited group.
The time to maturity being the expiry date	on or after 14 January 2016
Risk-free interest rate	1.84%
Expected dividend yield	2.74%

Based on this information, the Company has adopted an indicative value per Directors Option of \$0.170 each. On that basis, the respective value of the Director Options to be issued pursuant to Resolution 2, are as follows:

- Mike Veverka – \$40,785.

Other remuneration details for the director, for the year to 30 June 2015, are contained in the Remuneration Report.

3.4 Existing interests and the potential dilutionary effect on other members

Set out below is a table summarising the interests of the subject director and the effect the exercise of the Director Options would have relative to other members' interests (assuming no other issues or reconstructions of capital or exercise of other options).

Shareholders	Current Share Capital (20 November 2015)		Share Capital Upon Exercise of Director Options (Resolution 2) ²	
Other Shareholders	35,008,133	79.367%	35,008,133	78.477%

Explanatory Memorandum

3.5 *Legislative Requirements in relation to resolution 2 under Corporations Act*

The Company wishes to advise Shareholders that for the purposes of Section 211(1) of the Corporations Act, the Board of Directors (with Mr Veverka abstaining) has resolved that the issue of the Director Options is reasonable remuneration for Mr Veverka having regard to the circumstances of the Company, the roles and responsibilities of the Executive Director and the nature of the Company's operations. In particular, the issue of the Director Options is necessary to attract and retain Mr Veverka as a suitably qualified executive with relevant experience.

4. Voting Entitlement

For the purposes of determining voting entitlements at the Meeting, shares will be taken to be held by the persons who are registered as holding the Shares at 7:00pm (Sydney time) on 12 January 2016. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

5. Proxy Instructions

5.1 Proxies and representatives

Shareholders are entitled to appoint a proxy to attend and vote on their behalf. Where a Shareholder is entitled to cast two or more votes at the meeting, they may appoint two proxies. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes. The proxy may, but need not, be a Shareholder of the Company.

Shareholders who are a body corporate are able to appoint representatives to attend and vote at the meeting under Section 250D of the Corporations Act. If a representative of a corporation is to attend the meeting the appropriate "Certificate of Appointment of Corporate Representative" should be produced prior to admission. A form of the certificate may be obtained from the Company's Share Registry.

A proxy form is attached to this Notice. The proxy form must be signed by the Shareholder or his/her attorney duly authorised in writing or, if the Shareholder is a corporation, in a manner permitted by the Corporations Act.

Shareholders should take note of the voting restrictions and exclusions specified in the notice of meeting and on the proxy form when appointing a person as a proxy.

The proxy form (and the power of attorney or other authority, if any, under which the proxy form is signed) or a copy or facsimile which appears on its face to be an authentic copy of the proxy form (and the power of attorney or other authority) must be delivered posted or sent by facsimile transmission to the Share Registry or cast online as detailed below so that it arrives not less than 48 hours before the time for holding the meeting, or adjourned meeting as the case may be, at which the individual named in the proxy form proposes to vote.
