Update on Tanzacoal Appeal

Intra Energy Corporation Limited (ASX:IEC) ("IEC" or "Company") advises that the appeal by its 85% subsidiary Tanzacoal East African Mining Ltd ("Tanzacoal") against the loss of its Special Mining Licence (Licence No. 235/2005), has been dismissed by the High Court of Tanzania. This allows IEC to now continue concentrating on its successful Tancoal Energy Ltd operations as well as its Exploration Licences in Tanzacoal which remain unaffected by the court action.
