Major Exploration and Production Company in Canada awards Master Engineering and Procurement Services Agreement with WorleyParsons

WorleyParsons is pleased to announce the award of a Master Engineering and Procurement Services Agreement with a major exploration and production company in Canada for a five year term.

Under the contract, WorleyParsons will provide a full range of consulting, engineering, procurement and project delivery services for the customer's major projects and sustaining capital portfolio for their facilities across Canada. WorleyParsons personnel are currently deployed on various projects for the confidential customer with increasing support being provided from WorleyParsons' Global Delivery Centers.

"We are pleased to continue our long standing relationship with this customer through a combination of local and Global Delivery Center resources" said Andrew Wood, WorleyParsons' Chief Executive Officer.
