CONTINUOUS DISCLOSURE: DECEMBER 2015 HALF YEAR RESULTS

PTB Group is forecasting significantly improved results for the December 2015 half year.

As reported in November, the improved performance has been predominantly driven by recurring improvements including increased aircraft rental revenue due to the return of three aircraft to service, reduced overhead costs and increased sales margins for the PT6 Workshop.

	December 2014 Half Year	December 2015 Half Year
	Actual	Forecast
A. Operating profit before tax (excluding foreign exchange gains and losses)	\$1.041M	\$2.600M
B. Operating profit before tax (including foreign exchange gains and losses)	\$0.474M	\$2.200M

The forecast for full year operating profit before tax, excluding foreign exchange gains and losses, remains as per the November announcement (\$3.8 million to \$4.2 million).

Yours sincerely
