**WESTFIELD CORPORATION DIVESTS FIVE ASSETS  
IN THE U.S. FOR \$1.1 BILLION**

Westfield Corporation (ASX: WFD) today announced it has completed the divestment of five assets in the U.S. for \$1.1 billion.

Westfield Corporation Co-CEO Peter Lowy said, "Our strategic focus is to create and operate flagship assets in leading markets and divest non-core assets. Today's announcement marks a significant milestone in our divestment strategy."

"Proceeds from the transaction will initially reduce gearing and will be redeployed over time into our \$11.4 billion development program. Our investment program is almost entirely weighted toward our Flagship assets with estimated development yields in the range of 7-8% and is expected to create significant long-term value and earnings growth for securityholders."

Assets included in this transaction are as follows:

<u>Centre Name</u>	<u>Location</u>
Connecticut Post	Milford, CT
Fox Valley	Aurora, IL
Hawthorn	Vernon Hills, IL
MainPlace	Santa Ana, CA
Vancouver	Vancouver, WA

The investor group is a newly formed joint venture comprising Centennial Real Estate Company as managing member, together with Montgomery Street Partners (an affiliate of Blum Capital Partners), and USAA Real Estate. Westfield Corporation will retain a 20 percent non-managing common equity interest.

Combined with the recent divestment of Carlsbad, Westfield will realise approximately \$1bn in net proceeds from the transactions. Prior to the redeployment of capital, the transactions are expected to initially reduce gearing by 3% and have an annualised dilutionary impact on Funds from Operations ("FFO") of approximately 3.5 cents per security.

The transaction settled on 18 December 2015 in the United States.
