About Invigor Group Limited

Invigor Group (ASX:IVO) uses its complementary suite of big data products to source, aggregate, analyse and publish content for the benefit of businesses and consumers.

Today its interconnected data sets enable enterprise clients including retailers, brands, shopping centres and government bodies to identify and better understand competitors, consumers, markets and demographics while providing the consumer with the best value-for-money.

Using its current products and a pipeline of additional offerings Invigor will have the ability to provide an end-to-end solution spanning sales, product management, business intelligence, marketing, advertising, content creation and distribution, while monetising each step of the process.
