### About DateTix

DateTix, is a mobile and location-based online marketplace for meeting new people for on-demand dates at verified local merchants. DateTix enables its members to easily meet new people in minutes by hosting or applying to dates at specific times and nearby establishments, across a diverse range of intentions and occasions. DateTix has developed a proprietary matchmaking engine that algorithmically scores, ranks and matches people based on multiple dimensions of compatibility, including physical attributes, personality traits and date preferences, delivering highly personalised and relevant matches to each and every DateTix member. With an initial focus on major Asian cities, DateTix plans to build, grow and cultivate leading online local marketplaces for in person and on-demand dates in major cities around the world.
