### **About Metro Performance Glass**

Metro Performance Glass (NZX.MPG; ASX.MPP) is New Zealand's largest and most innovative glass processor, distributor and glazier. With more than 750 staff, a fleet of over 280 service vehicles and 17 sites located throughout the country, we supply and service the architectural, building and residential markets with industry leading glass products.

Whether it be high performance Low E double glazing units for new builds or the retrofit market, bathroom shower screens, kitchen splashback or pool and deck balustrades, Metro Performance Glass have been at the forefront of providing performance glass products and industry leading customer service, what we like to call Performance without Compromise.
