NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2015

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation

The half-year financial statements are a general purpose financial report prepared in accordance with the requirements of the *Corporations Act 2001*, Accounting Standard AASB 134 *Interim Financial Reporting*, Australian Accounting Interpretation and other authoritative pronouncements of the Australian Accounting Standards Board.

The financial report was authorised for issue on 16 February 2016 by the Board of Directors.

The half-year report does not include full disclosures of the type normally included in an annual financial report. It is recommended that the half-year financial report be read in conjunction with the Annual Financial Report for the year ended 30 June 2015 and any public announcements made by Cadence Capital Limited ("the Company") during the half-year in accordance with continuous disclosure requirements arising under the *Corporations Act 2001*.

Except for cash flow information, the financial statements have been prepared on an accruals basis and are based on historical costs with the exception of "held for trading" financial assets and certain other financial assets and liabilities which have been measured at fair value.

(b) Accounting Policies

There are no new and revised accounting requirements significantly affecting the half-year financial statements. The accounting policies have been consistently applied by the Company throughout the period and are consistent with those applied in the 30 June 2015 Annual Financial Report.

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current.

(c) Details of Reporting Period

The current reporting period is the half-year ended 31 December 2015. For the Statement of Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow, the previous corresponding period is the period ended 31 December 2014. For the Statement of Financial Position, the previous corresponding date is 30 June 2015.

(d) Segment Reporting

The Company has only one segment. The Company operates predominately in Australia and in one industry being the securities industry, deriving revenue from dividend income, interest income and from the sale of its financial assets at fair value through profit or loss, however the Company has foreign exposures as it invests in companies which operate internationally.

5. FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE

AASB 13: Fair Value Measurement requires the disclosure of fair value information using a fair value hierarchy reflecting the significance of the inputs in making the measurements. The fair value hierarchy consists of the following levels:

- Level 1:** Quoted prices in active markets for identical assets or liabilities.
- Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (as prices) or indirectly (derived from prices).
- Level 3:** Inputs for the asset or liability are not based on observable market data (unobservable inputs).

Included within Level 1 of the hierarchy are listed investments. The fair values of these financial assets and liabilities have been based on the closing quoted last prices at the end of the reporting period, excluding transaction costs.

In valuing unlisted investments, included in Level 2 of the hierarchy, valuation techniques such as those using comparisons to similar investments for which market observable prices are available or the last sale price have been adopted to determine the fair value of these investments.

The following table presents the Company's financial assets and liabilities measured and recognised at fair value at 31 December 2015:

31 December 2015	Level 1 \$	Level 2 \$	Level 3 \$	Total \$

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Cadence Capital Limited ('the Company'), which comprises the statement of financial position as at 31 December 2015, statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a statement of significant accounting policies, other selected explanatory notes and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Company's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Cadence Capital Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the applicable independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Cadence Capital Limited is not in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
