**AURORA GLOBAL INCOME TRUST (ASX: AIB)
VOLUNTARY SUSPENSION REQUEST**

Pursuant to ASX Listing Rule 17.2, Aurora Funds Management Limited as Responsible Entity for Aurora Global Income Trust (ASX: AIB), requests that voluntary suspension be granted by the ASX from the commencement of trading on 29th February 2016 until the commencement of trading on 1st April 2016.

For the purposes of ASX Listing Rule 17.2, the Responsible Entity provides the following information:

- (a) (i) The voluntary suspension is necessary as AIB holds Antares Energy Limited Convertible Notes (ASX Code: AZZG) (Antares Notes), which have been suspended from trading and are, consequently, currently illiquid. The note is due to be repaid on 31st March 2016, but information has become available to us which leads us to believe there is a possibility that repayment will not occur on this date and therefore we are unable to accurately determine a value for the Antares Notes.. The Antares Notes currently comprise 9.58% of the net asset value of AIB; and
(ii) As we are unable to determine a valuation for the Antares Notes, we will not be in a position to lodge the Appendix 4D today which will result in the ASX suspending AIB.
- (b) The Responsible Entity requests that the voluntary suspension continues until the earlier of the Responsible Entity making an announcement regarding the matter above, lodgement of Appendix 4D and the commencement of trading on Friday, 1st April 2016; and
- (c) The Responsible Entity is not aware of any reason why the voluntary suspension should not be granted or of any other information necessary to inform the market about the voluntary suspension.

Yours faithfully

Aurora Funds Management Limited
as responsible entity for the
Aurora Global Income Trust
