Hulamin – Termination of Agreement for the Processing of Aluminium Dross

The Company is pleased to announce that constructive discussions with Hulamin are progressing with the aim of securing a mutually beneficial long term processing agreement in the near term. Hulamin has also agreed to extend the termination date to 31st December 2016 (was 1st August 2016) to allow for business stability and an orderly conclusion of new long term arrangements.

The Company continues to engage with Hulamin and other parties and will make further announcements when additional information becomes available.

For further information please contact:

Richard Rossiter (Chairman) or Theo Renard (FD) on +61 2 9252 2186 or visit the Company's website at <http://www.realmresources.com.au/>

About Realm

Realm's strategy is to create shareholder value through exploration and development of resource sector projects. The Company has advanced exploration projects in thermal coal (Indonesia) and platinum group metals and an operating aluminium waste retreatment plant in South Africa.
