### **Three (3) Year Parcel Locker Supply Contract with Singapore Post Limited**

TZ Limited (“**TZ**”) is pleased to advise that it has been awarded the on-going supply contract for POPStation Locker Banks for Singapore Post Limited (“**Singapore Post**”). The supply contract also covers regional supply to CouriersPlease in Australia and such other markets that Singapore Post are considering for expansion of their POPStation network. The contract covers supply until 31 December 2018 with the potential supply of 100 Locker Banks and upwards.

“We are extremely pleased to continue our strong and cooperative supply relationship with Singapore Post and look forward to continuing to support them as they expand their eCommerce presence and service capability in the region. Singapore Post has already rolled out over 130 POPStations across Singapore to provide Singaporeans with a convenient and easy way to collect, post or return their parcels 24/7,” said Mark Bouris, Executive Chairman of TZ Limited. “It is equally exciting to see CouriersPlease’s plans to build an extensive network of POPStations in Australia to replicate the same convenient range of services here for the Australian consumer.”

#### **About TZ Limited**

TZ Limited (“**TZ**”) is a technology company that is listed on the Australian Stock Exchange. TZ is the leader in SMARt Device™ technology combining state-of-the-art SMA actuated intelligent fastening and locking devices with TZ remote software control. TZ’s systems deliver asset level protection and compelling solutions for security, monitoring and control applications across a number of market segments. The Company currently supplies market leading solutions to major corporations worldwide to the Data Centre industry and in the Automated Parcel Locker and E-Commerce market.
