### ASX ANNOUNCEMENT

4 March 2016

### TRADING UPDATE

The directors of Probiotec Limited (ASX: PBP) (“**Company**” or “**Probiotec**”) are pleased to advise that the Company has reached agreement with several existing and new contract manufacturing customers to manufacture additional products.

This new business is expected to come on line progressively over the 2017 financial year, largely skewed to the second half. It is expected to generate additional revenue of approximately \$10 million on an annualised basis. Profit margins will be consistent with the Company’s existing contract manufacturing business.

The Company continues to enjoy strong demand from its existing contract manufacturing customers and is pursuing additional opportunities to achieve further growth in this key pillar of the business.
