For the half year ended 31 December 2015

1. Corporate information

The financial report of Silver City Minerals Limited (the Company) for the half year ended 31 December 2015 was authorised for issue in accordance with a resolution of the Directors on 10 March 2016. Silver City Minerals Limited (the parent) is a company incorporated in Australia and Limited by shares which are publicly traded on the Australian Securities Exchange using the ASX code SCI.

The nature of the operations and principal activities of the Group are described in the Directors' Report.

2. Summary of significant accounting policies

The half year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Group as the full financial report.

The half year financial report should be read in conjunction with the Annual Financial Report of SCI as at 30 June 2015.

It is also recommended that the half year financial report be considered together with any public announcements made by SCI during the half year ended 31 December 2015 in accordance with the continuous disclosure obligations arising under the Corporations Act 2001.

Basis of preparation

The half year financial report is a general purpose financial report, which has been prepared in accordance with the requirements of the Corporations Act 2001, applicable Accounting Standards, including AASB 134 Interim Financial Reporting and other mandatory professional reporting requirements. The half year financial report has been prepared on a historical cost basis.

For the purpose of preparing the half year financial report, the half year has been treated as a discrete report period.

Significant accounting policies

The half year financial statements have been prepared using the same accounting policies as used in the annual financial statements for the year ended 30 June 2015.

Management has reviewed and assessed the new accounting standards effective 1 July 2015 and these have been deemed to be not applicable to the Group.

Fair value measurement

The carrying amounts of the Group's assets and liabilities are a reasonable approximation of their fair values. The only exception to this is the carrying amount of deferred exploration and evaluation expenditure which is estimated to be not in excess of its fair value.

Basis of consolidation

The half year consolidated financial statements comprise the financial statements of Silver City Minerals Limited and its subsidiaries (the Group). The financial statements of the subsidiaries are prepared for the same reporting period as the parent company, using consistent accounting policies. All inter-company balances and transactions, including unrealised profits arising from intra-group transactions, have been eliminated in full. The subsidiaries are consolidated from the date on which control is transferred to the Group and cease to be consolidated from the date on which control is transferred out of the Group.

Notes to the Consolidated Financial Statements

This information is disclosed in Note 6 of this financial report. No segment revenues are disclosed as each exploration tenement is not at a stage where revenues have been earned. Furthermore, no segment costs are disclosed as all segment expenditure is capitalised, with the exception of expenditure written off which is disclosed in Note 6.

Financial information about each of these tenements is reported to the Managing Director on an ongoing basis.

Corporate office activities are not allocated to operating segments as they are not considered part of the core operations of any segment and comprise of the following:

- ▶ Interest revenue
- ▶ Corporate costs

The Group's accounting policy for reporting segments is consistent with that disclosed in Note 2.

To the members of Silver City Minerals Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Silver City Minerals Limited and controlled entities (the consolidated entity), which comprises the consolidated statement of financial position as at 31 December 2015, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of Silver City Minerals Limited (the company) are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*. As the auditor of Silver City Minerals Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Liability limited by a scheme approved under Professional Standards Legislation.
Please refer to the website for our standard terms of engagement.

Auditor's Independent Review Report

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Silver City Minerals Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Silver City Minerals Limited and controlled entities is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting and Corporations Regulations 2001*.
