### 1. Amendment to the entrusted feeding agreements

As described in section 2 of the First Supplementary Prospectus, the Group replaced its former 200 entrusted farmers with 179 new entrusted farmers due to migrating its farmer-raised cows from the Qiqihaer region in Heilongjiang to the Harbin region (refer to section 3.5 of the Original Prospectus for further details of the Group's farmer-raised cows).

Under the entrusted feeding agreements with the 179 entrusted farmers, the Group paid monthly feeding and other fees as follows:

- (a) RMB 440 (A\$95) in respect of each calf aged six months or under;
- (b) RMB 560 (A\$121) in respect of each adult cattle aged between 7 and 18 months;
- (c) RMB 650 (A\$140) in respect of each young cow aged between 19 months and the age at which the cattle gives birth to its first calf; and
- (d) RMB 1,020 (A\$220) in respect of each adult cow that has given birth to its first calf.

The Group has since amended its agreement with its 179 entrusted farmers to increase the monthly feeding and other fees payable as outlined below:

- (a) RMB 500 (A\$108) in respect of each calf aged six months or under;
- (b) RMB 620 (A\$134) in respect of each adult cattle aged between 7 and 18 months;
- (c) RMB 750 (A\$162) in respect of each young cow aged between 19 months and the age at which the cattle gives birth to its first calf; and
- (d) RMB 1,700 (A\$366) in respect of each adult cow that has given birth to its first calf.

The monthly feeding and other fees payable to the 179 entrusted farmers are periodically reviewed by the Group and determined by taking into account the market price for feed as well as the expected future fluctuation in feed costs.

In addition to the increase in feeding and other fees paid to the 179 entrusted farmers, the Group entered into a Supplementary Agreement with 174 of its entrusted farmers to provide for a one-off grant of RMB 600 (A\$129) payable to the entrusted farmers for each young and adult cow raised by the entrusted farmers. These grants were made to the 174 entrusted farmers who raise young and adult cows for the Group to improve their farmland and equipment used to raise the cows.

#### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of China Dairy Corporation Limited

We have reviewed the condensed consolidated balance sheet of China Dairy Corporation Limited, and subsidiaries (the "Company") as of December 31 2015 and the related condensed consolidated statements of income for the three month and six periods ended December 31, 2015. These condensed consolidated financial statements are the responsibility of the Company's management.

We conducted our review in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying interim financial statements referred to above for them to be in conformity with accounting principles generally accepted in the United States of America.
