Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

The Board of Traditional Therapy Clinics Limited is cognizant of the need for a well articulated and robust corporate governance framework and believes that good corporate governance is essential to the preservation and enhancement of shareholder value. The Board believes that the success of the business is not only strengthened by implementing clearly articulated policies to enhance accountability, efficiency and the reliable measurement of performance but also ensuring communication is open, transparent and timely.

Prior to listing the Board developed a governance framework supported by policies, codes and charters. Since September 2015, work has progressed in implementing and reinforcing the key governance principles and internal controls.

The Board has adopted a *Board Charter* (the Charter), which sets out the key corporate governance principles and procedures together with a *Delegation of Authority Policy and Subsidiary Governance Framework* that ensures consistency of governance principles throughout the TTC Group. The Charter and a summary of the Delegation of Authority Policy and Subsidiary Governance Framework are available on the company's website at www.ttc-ltd.com.

The Charter and the other governance measures adopted reflect the Board's endorsement of the recommendations contained in the ASX Corporate Governance Council's Principles and Recommendations, 3rd edition, 2014, referred to as "the Principles". Those Principles marked with a  either have not been fully implemented or are to be addressed during the FY2016 reporting year. The commentary addresses the reasons for the departure from the requirements.

1.1	<p>The Board has outlined in its charter, its roles and responsibilities and has established a clear distinction between its functions and those delegated to management through a Delegation of Authority Policy and Subsidiary Governance Framework.</p> <p>Key focus areas for the Board since listing in September 2015 were:</p> <ul style="list-style-type: none"> Establishing regular and open communication channels with the Chinese management team; Overseeing management's performance in strategy implementation and monitoring the financial position of the Group; Implementing risk management and governance measures within the Chinese operating entities including regular planning and reporting; Overseeing due diligence and the acquisition of 8 clinics from the existing franchised clinic base which will now be operated by the TTC Group; and Refining policies and practices to ensure the corporate governance framework meets the needs of the TTC Group. 	
1.2	Appropriate checks including criminal record checks have been carried out on all Board members prior to their appointment. The Company will provide shareholders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director at future general meetings.	
1.3	All Directors and senior executives have a written agreement with the Company or a member of the TTC Group setting out the terms of their appointment.	
1.4	The Company Secretary is accountable directly to the Board, through the Chairman on all matters to do with the proper functioning of the Board and this is specifically outlined in the contract of employment and the position description for that role.	
1.5	The Board has adopted a Diversity Policy (a copy of which is on the Company's website). The Diversity Policy requires the Board to set measurable objectives for obtaining gender diversity. The Board is currently collating data from the TTC Group to enable meaningful gender and other diversity targets to be established.	
1.6	At least once per year the Board will, with the advice and assistance of the Nomination and Remuneration Committee, review and evaluate the performance of the Board, each Board committee and each individual Director against the relevant charters, corporate governance policies, and agreed goals and objectives. The NRC's program of work has a review scheduled for the first half of FY2016.	

Principle 1 – Lay solid foundations for management and oversight

1.7	Performance reviews for Executive Directors and Senior Management with regular feedback given on their performance between reviews. No formal reviews have taken place since listing but plans are in place to schedule them on at least an annual basis with the first reviews scheduled for the first half of FY2016. The skills matrix will be reviewed at the same time as the Board evaluation is undertaken in the first half of FY2016.	
2.3 & 2.4	<p>The Board Charter sets out the criteria adopted by the Board for considering if a Director is independent. A majority of the Board consists of independent Directors. The Board is comprised of five members, three of whom are independent. The Company recognises the importance of having a majority of the Board as independent Directors and this was instrumental in determining the membership of the Board.</p> <p>Together, the Directors have a broad range of experience, expertise, skills, qualifications and contacts relevant to the business of the company. Andrew Sneddon, Jeff Fisher and Glen Lees are considered independent as none of them has a material shareholding in the Company or is an advisor or supplier to the Company or has any other material contractual relationship with the Company other than their position as a Director.</p>

7.4	<p>Economic, Sustainability and Environmental risks and opportunities are discussed with the Chinese management team on a regular basis and in particular in the lead up to and during the annual strategic planning session.</p> <p>The perceived economic slowdown in China although causing weakness in some sectors has not impacted the Chinese service in which TTC operates which continues to grow. Driving this growth is:</p> <ul style="list-style-type: none"> The growing middle class in China Increased demand for services within the Chinese economy Increased urbanisation Improved industry standards resulting from increased regulation. <p>The Group's profitability is entirely generated in China. Economic or political instability in China (which may be caused by a number of unforeseeable events) may have an adverse effect on TTC. The Chinese management team has a high profile in Chongqing and is actively involved in establishing industry standards and working with all levels of government.</p> <p>One of the key sustainability risks for the TTC Group is that the Group's services are labour-intensive and rely on staff that are skilled in traditional therapy. Limitations on access to skilled staff could limit the Group's ability to provide services, especially as the Group endeavours to expand its business. A key strategic focus for the Group is on training and development of our staff.</p>	✓
