## About NEXTDC

NEXTDC is an ASX300-listed technology company enabling business transformation through innovative data centre outsourcing solutions, connectivity services and infrastructure management software.

As Australia's leading independent data centre operator with a national network of Tier III facilities, NEXTDC provides enterprise-class colocation services across the country, facilitating hybrid cloud deployments by offering direct connections to our partner community: Australia's largest independent network of carriers, cloud and IT service providers.

NEXTDC's subsidiaries include AXON Systems, which offers AXONVX™, a virtual exchange delivering secure, elastic connections via a dynamic, high-speed switching fabric; and ONEDC Software, developer of the ONEDC® cloud-platform for data centre infrastructure management.

NEXTDC is *where the cloud lives*®.
