The directors of Intiger Group Limited (**IAM**) (**Intiger** or the **Company**) please submit the Quarterly Activities Report for the quarter ending 30 September 2016. During the quarter ending 30 September 2016 IAM successfully completed the following operational and financial activities:

Highlights

- Completion of the acquisition of Intiger Asset Management Pty Ltd and associated entities.
- Appointment to the board of directors leading industry participants Mr Mark Rantall (Chairman), Mr Patrick Canion (Director) and Mr Mark Fisher (Executive Director), and following the end of the quarter, the appointment of Mr Charles Blake as Global Head of Partnerships.
- Execution of a Heads of Agreement with Sentry Group, one of Australia's leading independently owned financial planning groups.

Completion of Acquisition

On 18 August 2016, the Company completed the acquisition of Intiger Asset Management Pty Ltd and associated entities and was reinstated to official quotation on the ASX on 1 September 2016. It is important to note the figures reported in the accompanying Appendix 4C Quarterly Cash Flow Report contemplate only operational subsidiary revenue and expenses post settlement, that is, for the period 1 September 2016 to 30 September 2016.

Heads of Agreement with Sentry Group

On 19 September 2016 the Company announced it had, through its wholly owned subsidiary Intiger Asset Management Pty Ltd, entered into a Heads of Agreement (**HOA**) with Sentry Group Pty Ltd (**Sentry Group**), one of Australia's leading independently owned financial planning groups. Sentry has \$5 billion in funds under advice and over 400 advisers nationwide.

The HOA between Intiger Asset Management Pty Ltd and Sentry provides the framework for the development and delivery of a centralised Sentry back office administration and paraplanning solution via Intiger Group's offshore processing platforms in India & Manila & proprietary software LILLY and KLIP.

Whilst the HOA is binding, the HOA does not contain definitive terms, and as such, is incomplete in the absence of a definitive agreement. To this end, the parties have agreed to negotiate in good faith the terms of a definitive agreement for provision of services setting out the specifics to implement the

services including the implementation timeframe and programme. The term of the HOA is six (6) months, unless otherwise mutually agreed. The HOA can be terminated by either party at any time. More information on the agreement is contained in the ASX release on 19 September 2016.

Cash Position

The Company held \$3,084,631 in cash as at 30 September 2016, compared to \$4,549,672 at 30 June 2016. The cash balance as at 30 June 2016 includes monies held in the Company operating accounts and funds held on trust pursuant to the replacement prospectus offer. The Company has cash resources and liquidity for the near term. Net operating cash flow for the quarter was (\$1,116,647).

About Intiger Group Limited

The business of **Intiger Group Limited (ASX: IAM)**, was founded by experienced investment banking and financial services executive Mark Fisher and operates an Australian software development house and offshore processing platform dedicated to reducing the back office and operational costs within the Australian financial planning industry. Working with Australian financial planning licensees and their practices, the Intiger Group has developed and launched proprietary software platform LiLLY, which has been designed to digitise and automate core components of the financial planning process including the production of automated statements of advice. In conjunction with LiLLY, the Intiger Group has presented the online practice management system KLIP which tracks key performance indicators of a financial planning practice and delivers oversight and control to both licensors and financial planning practices nationally.

In addition, the Intiger Group is a provider of offshore processing solutions built for the financial planning sector. The Intiger Group operates an offshore outsourcing facility in the Philippines which employs Australian trained staff, who deliver financial planning back office and administrative processing services for various documents including Statements of Advice. No financial advice is provided and no financial services license is required for these activities.
