Notes relating to voting

The notes relating to voting and the explanatory notes form part of this Notice of Meeting.

1 Entitlement to vote

In accordance with Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Board has determined that persons who are registered holders of shares in the Company as at 7:00 pm AEDT on Wednesday 16 November 2016 will be entitled to attend and vote at the Meeting as a shareholder. Share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

If more than one joint holder of shares is present at the AGM (whether personally, by proxy or by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

On a poll, shareholders have one vote for every fully paid ordinary share held (subject to the restrictions on voting referred to below).

2 Voting exclusions

Resolution 3

The Company will disregard any votes cast on resolution 3:

- by or on behalf of a member of the Company's key management personnel (**KMP**) named in the Company's Remuneration Report for the year ended 3 July 2016 or their closely related parties (regardless of the capacity in which the vote is cast); or
- as a proxy by a person who is a member of the Company's KMP at the date of the Meeting or their closely related parties.

However, votes will not be disregarded if they are cast as proxy for a person entitled to vote on resolution 3:

- in accordance with a direction in the proxy form; or
- by the person chairing the Meeting, in accordance with an express authorisation in the proxy form to exercise the proxy even though resolution 3 is connected with the remuneration of the KMP.

Resolutions 4 and 5

The Company will disregard any votes cast on resolutions 4 and 5:

- by or on behalf of Mark Ronan and Michael Cherubino and their associates (regardless of the capacity in which the vote is cast); or
- as a proxy by a person who is a member of the Company's KMP at the date of the Meeting or their closely related parties.

However, votes will not be disregarded if they are cast as proxy for a person entitled to vote on resolutions 4 and 5:

- in accordance with a direction in the proxy form; or
- by the person chairing the Meeting, in accordance with an express authorisation in the proxy form to exercise the proxy even though resolution 4 and 5 is connected with the remuneration of the KMP.

3 Proxies

- (a) A shareholder entitled to attend and vote has a right to appoint a proxy to attend and vote instead of the shareholder. A proxy need not be a shareholder and can be either an individual or a body corporate. A shareholder can appoint a proxy by completing and returning a signed proxy form (see section 4 of these notes relating to voting, and the enclosed proxy form).

- (b) A shareholder that is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the shareholder's votes.
- (c) If you wish to direct how your proxy should vote, please mark the appropriate boxes on the proxy form. If you do not direct your proxy how to vote on a particular item of business, you are authorising your proxy to vote as they decide, subject to any applicable voting exclusions.
- (d) Unless the Chairman of the Meeting is your proxy, members of the Company's KMP (which includes each of the Directors) will not be able to vote as proxy on resolutions 3, 4 or 5, unless you direct them how to vote. If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, you should ensure that you direct that person how to vote on resolutions 3, 4 and 5.
- (e) If you intend to appoint the Chairman of the Meeting as your proxy, you can direct the Chairman how to vote by marking the boxes for the relevant resolution (for example, if you wish to vote "for", "against" or to "abstain" from voting). However, if you do not mark a box next to resolutions 3, 4 or 5, then by signing and submitting the proxy form, you will be expressly authorising the Chairman to vote as they see fit in respect of resolutions 3, 4 or 5 even though they are connected with the remuneration of the Company's KMP.
- (f) If:
 - a poll is duly demanded at the Meeting in relation to a proposed resolution;
 - a shareholder has appointed a proxy (other than the Chairman of the Meeting) and the appointment of the proxy specifies the way the proxy is to vote on the resolution; and
 - that shareholder's proxy is either not recorded as attending the Meeting or does not vote on the resolution,
 the Chairman of the Meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for the shareholder for the purposes of voting on that resolution and must vote in accordance with the written direction of that shareholder.
- (g) Please note that for proxies without voting instructions that are exercisable by the Chairman of the Meeting, the Chairman intends to vote all available proxies in favour of each resolution.

Explanatory notes

These explanatory notes have been prepared to help shareholders understand the items of business at the forthcoming Meeting.

Item 1 - Annual Financial Report

The Corporations Act requires:

- the reports of the Directors and Auditors; and
- the annual Financial Report, including the Financial Statements of the Company for the year ended 3 July 2016,

to be laid before the Meeting. Neither the Corporations Act nor the Company's Constitution requires a vote of shareholders on the reports or statements. However, shareholders will be given an opportunity to raise questions or comments on the management of the Company.

Also, a reasonable opportunity will be given to shareholders as a whole at the Meeting to ask the Company's Auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the Auditor in relation to the conduct of the audit.

Item 2 - Re-election of Directors

Re-election of Trent Peterson

Trent is a Non-Executive Director and joined the Board in 2010. Trent is the chair of the Remuneration Committee and a member of the Audit and Risk Committee and the Nomination Committee.

Trent joined Catalyst in 2000 and was appointed as a Managing Director in 2006 when he acquired the Catalyst business with two partners. Trent is also the founder and Managing Director of Catalyst Direct Capital Management.

Trent was Chairman of the Company's Board from 2010 until the initial public offer on the ASX, being the period of Catalyst's majority ownership.

In addition to Adairs Limited, Trent is a non-executive director and chairman of Cirrus Media, Dusk Retail Holdings Pty Ltd, and AATS (trading as SkyBus) and is also a non-executive director of Power Farming Group, The Shaver Shop, Australia Pure Health (trading as Mr Vitamins) and Max Fashions in New Zealand.

He is a former director of Global Television, EziBuy, Metro GlassTech, Moraitis Group, Taverner Hotel Group, Australian Discount Retail and Just Group.

Trent has over 15 years investment and private equity experience, focused primarily on businesses operating in the consumer, retail and media sectors.

Trent is a qualified Chartered Accountant and holds a Bachelor of Commerce.

Recommendation

The Board (with Trent Peterson abstaining) unanimously recommends that shareholders vote **in favour** of Trent Peterson's re-election.

Re-election of Kate Spargo

Kate is a Non-Executive Director and joined the Board in May 2015. The Board considers Kate to be an independent Director. Kate is the chair of the Audit and Risk Committee and a member of the Remuneration Committee and the Nomination Committee.

Kate has been an independent company director for 20 years, covering listed and unlisted companies in a variety of sectors including infrastructure, construction and engineering, energy, financial services, building product manufacture and distribution, and health services.

Kate has broad commercial and organisational experience, as well as a focus on risk, audit and governance, supported by her legal background in both government law and private practice.

Her current board positions include chairman of UGL Ltd, and a non-executive director of Sonic Healthcare Ltd, Fletcher Building Ltd, Sigma Pharmaceuticals Ltd, Geelong Football Club and SMEC Ltd (a consulting engineering business operating in around 50 countries). She is also a member of the ColInvest Ltd board.

Previous board positions have included Pacific Hydro, Fulton Hogan, IOOF, Transfield Services Infrastructure, Suncorp Portfolio Services and AEMO.

Kate holds a Bachelor of Law with honours and a Bachelor of Arts. She is also a Fellow of the Australian Institute of Company Directors.

Recommendation

The Board (with Kate Spargo abstaining) unanimously recommends that shareholders vote **in favour** of Kate Spargo's re-election.

Item 3 - Remuneration Report

Shareholders will have a reasonable opportunity at the Meeting to ask questions about or make comments on the Remuneration Report. The Remuneration Report on pages 24 - 32 of the Company's Annual Report sets out the remuneration policies of the Company and reports on the remuneration arrangements in place for the Company's KMP during the year ended 3 July 2016. The Annual Report is available on the Company's website at <http://investors.adairs.com.au>.

As prescribed by the Corporations Act, the vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote and discussion at the Meeting into account in setting remuneration policy for future years.

Recommendation

The Board unanimously recommends that shareholders vote **in favour** of the adoption of the Remuneration Report.

Items 4 and 5 - Approval of long term incentive grant of options

Pursuant to ASX Listing Rule 10.14, the Company is seeking shareholder approval for the grant of options to Mark Ronan and Michael Cherubino (each an **Eligible Participant**), as part of their Long Term Incentive (**LTI**) for FY2017.

As announced in an ASX announcement on 6 September 2016, Mark Ronan will be appointed Managing Director and CEO of the Company effective 18 November 2016. Michael Cherubino is Chief Financial Officer and will be transitioning to Executive Director – Property and Business Development effective 17 October 2016. Both Mark and Michael are, or will be, Executive Directors of the Company and shareholder approval is being sought on that basis for ASX Listing Rule 10.14 purposes.

Subject to shareholder approval, the options pursuant to items 4 and 5 will be granted under the Adairs Limited Equity Incentive Plan (the **Plan**) within 12 months of the Meeting.

Key terms of the FY2017 LTI grant

The LTI grant is designed to align the interests of the Eligible Participants with the interests of shareholders by providing the opportunity to receive an equity interest in the Company through the granting of options.

Mr Ronan will be granted 651,000 options and Mr Cherubino will be granted 372,000 options. The number of each Eligible Participant's options have been determined by dividing their LTI opportunity by the fair value of options.

As the options form part of the Eligible Participants' remuneration, they will be issued for nil consideration. The exercise price per option payable by an Eligible Participant if the options vest and become exercisable is \$2.00 per option.

Each option entitles an Eligible Participant to acquire one ordinary share in the Company on payment of the exercise price. Options will only vest and become exercisable if vesting conditions are satisfied. The Board has discretion to make a cash payment in lieu of an allocation of shares on vesting and exercise of options.

Prior to vesting, the options do not entitle Eligible Participants to dividends or voting rights.

Performance Period

The performance period is from 4 July 2016 to 30 June 2020.

Vesting conditions

1. Service condition

Unless the Board determines otherwise, for any options to vest and become exercisable, the Eligible Participant must remain employed on a full time basis by the Group at 30 June 2020 and not given notice of their resignation. The service condition will be tested on 30 June 2020.

2. Performance conditions

Each proposed grant of options will be subject to two separate performance conditions as follows:

- 60% of the options will be subject to an earnings per share (**EPS**) performance condition; and
- 40% of the options will be subject to a like-for-like sales growth performance condition.

EPS performance condition

The EPS performance condition will be measured by reference to the compound annual growth rate (**CAGR**) of the Company's EPS over a period of 3 financial years, commencing on 4 July 2016 and ending on 30 June 2019.

EPS measures the earnings generated by the Company attributable to each share on issue on a fully diluted basis. Calculation of the CAGR of the EPS and achievement against the performance condition will be determined by the Board in its absolute discretion.

Sales performance condition

The sales performance condition will be measured by reference to the Company's like-for-like sales growth over FY2017, FY2018 and FY2019. Like-for-like sales growth measures growth in sales in one year compared to the previous year, taking into consideration only like-for-like sales.

Calculation of the achievement against the sales growth performance condition will be determined by the Board in its absolute discretion.

These hurdles and vesting schedules are set out below:

EPS CAGR Performance (60% Weighting)	Sales Performance (40% Weighting)	Proportion of options that will vest against relevant target
Less than or equal to 5% p.a.	Less than or equal to 2.5%	Nil
Between 5% and 20% p.a.	Between 2.5% and 12.5%	Straight line vesting between 0% and 100%
Equal to, or above, 20% p.a.	Equal to, or above, 12.5%	100%

Testing of the vesting conditions

Testing of the vesting conditions will occur at the end of the performance period. Any options that do not vest will lapse immediately. Any options that vest will be exercisable until 8 years after the date of grant.

Cessation of employment

Where the employment of an Eligible Participant is terminated for cause or they resign, all unvested options and vested but unexercised options will lapse, unless otherwise determined by the Board.

In all other circumstances, a pro rata portion of the unvested options (based on the portion of the performance period that has elapsed) will remain on foot and be subject to the original vesting conditions, as though the Eligible Participant had not ceased employment. Vested but unexercised options will remain on foot and exercisable for a period of 3 months, after which time they will lapse, unless otherwise determined by the Board.

Change of control

In the event of a likely change in control of the Company, the Board has a discretion to determine that some or all of the Eligible Participant's options will vest.

If a change of control occurs before the Board exercises its discretion, a pro-rata portion of the options (equal to the portion of the relevant performance period that has elapsed up to the change of control) will vest and be exercisable for a period of 3 months after the change of control.

Clawback

The Board has broad "clawback" powers to determine that options lapse or shares allocated on exercise of the vested options are forfeited, or that amounts are to be repaid in certain circumstances (for example, in the case of serious misconduct).

Restrictions on dealing

An Eligible Participant must not sell, transfer, encumber, hedge or otherwise deal with options.

An Eligible Participant will be free to deal with the shares allocated on exercise of the options, subject to the requirements of the Company's Securities Dealing Policy.

Additional information provided in accordance with ASX Listing Rule 10.15

- This is the first time the Company is seeking approval under Listing Rule 10.14. These are the first grants to be made to a Director under the Plan.
- Mark Ronan (once appointed) and Michael Cherubino are the only Directors entitled to receive options under the Plan.
- No loan will be made by the Company in relation to the acquisition of options.

- If approval is given under ASX Listing Rule 10.14, approval will not be required under ASX Listing Rule 7.1. This means that the options granted to Mark Ronan and Michael Cherubino and any shares issued pursuant to this approval will not use up part of the 15% available under ASX Listing Rule 7.1.

Recommendation

The Board (with Michael Cherubino abstaining) unanimously recommends that shareholders vote **in favour** of the grant of options to Mark Ronan and Michael Cherubino.

Item 6 - Appointment of Auditor

Ernst & Young was appointed as the auditor of the Company by the Board on 16 June 2011.

Section 327B(1)(a) of the Corporations Act requires a public company to appoint an auditor at its first Annual General Meeting. Accordingly, the Company is seeking shareholder approval of the appointment of Ernst & Young as the Company's auditor.

Ernst & Young has been duly nominated for appointment as the Company's auditor by a shareholder of the Company, as required by section 328B of the Corporations Act. A copy of the shareholder's written notice of nomination is set out in Annexure A.

Recommendation

The Board unanimously recommends that shareholders vote **in favour** of the appointment of Ernst & Young as auditor of the Company.
