## **Alcidion to present at Health Informatics New Zealand (HiNZ)**

Alcidion Group Limited (ASX:ALC) today announced that it will present at the Health Informatics New Zealand Conference from 1 – 3 November 2016.

In 2016 the HiNZ Conference has combined with the Global Telehealth, Successes and Failures in Telehealth and New Zealand Nursing Informatics Conference to present the latest developments in health informatics, telehealth and eHealth from around the world in one location.

Alcidion co-founder and Chief Medical Officer, Professor Malcolm Pradhan will be speaking at the HiNZ conference on the topic on *"Making Clinical Decision Support Interactive – from Clinician to Cloud"*.

Chief Executive, Mr. Ray Blight will be attending the conference, with a focus on building new relationships in New Zealand. One of Alcidion's targets for FY17 is to build and expand upon existing relationships in New Zealand.

Together, Mr. Blight and Professor Pradhan will be presenting four product overview sessions for conference attendees to learn more about Alcidion products, specifically Patient Flow, Bed Access, ED and Order Sets.

Prior to and after the conference Mr Blight will be conducting a roadshow in New Zealand, to meet with several District Health Boards.
