## VIP LAUNCH OF WANGLE APP

- Pre-registration to download Wangle's data optimisation App opens on 1 May 2016
- Those who pre-register will get access to VIP rewards such as preferential pricing

Wangle Technologies Limited (**ASX:WGL**) (**Wangle** or the **Company**) is pleased to announce that pre-registration to download its App is on schedule to commence Sunday the 1st of May, 2016.

Anyone who pre-registers for the App at [www.wan.gl](http://www.wan.gl) (link will be live 1st May) will be entitled to VIP rewards and other special privileges when the Company launches the App to the public on both the Apple Store (iOS) and Google Play Store (Android).

Pre-registering to download the Wangle App will entitle users to:

- One-month no obligation trial of the Wangle App;
- Additional free month if users refer a friend; and
- 50% discount at \$36 for a one-year prepaid subscription.

*"We are now launching the Wangle App. The VIP pre-registration enables those who have waited patiently for our service to benefit. The Wangle App will increase the speed of the Internet and will reduce data consumption for our customers,"* said Wangle's Managing Director, Jason Gitmans.

*"The App provides a revolutionary reduction in data usage and improved consumer experience for subscribers. The Australian market is the first of several and we intend to launch in Hong Kong, New Zealand and South Africa shortly."*

## ABOUT WANGLE TECHNOLOGIES

Wangle Technologies has developed patented algorithms to optimise data flow between devices. It allows faster data transfer and reduces data overhead, while enhancing security and privacy. Wangle's technology provides compelling value to consumers and to service providers looking for innovative low cost solutions to manage network capacity in the face of unprecedented growth in data consumption.
