

NZX/ASX release

23 May 2016

Russian merger clearance received

Nuplex Industries Limited (NZX/ASX: NPX) advises that the proposed acquisition of Nuplex by Allnex New Zealand Limited (Allnex) by way of scheme of arrangement has received clearance from the Federal Antimonopoly Service of the Russian Federation.

As previously announced, Allnex expects to obtain all necessary regulatory approvals in all remaining jurisdictions by the end of June 2016.

More information on the proposed scheme of arrangement is available via Nuplex's Investor Centre at www.nuplex.com.

About Nuplex

Nuplex is a leading, global manufacturer of resins used in paints, coatings and structural materials with annual sales of c.NZ\$1.5 billion (c.US\$1 billion). Listed on the NZX and the ASX, Nuplex is a global leader in rheology control coatings technology, as well as performance and industrial coating resins, particularly for Automotive OEM, Vehicle Re-finish, Wood, and Protective coatings. From its 16 production sites located across Asia, Europe, America and Australia and New Zealand, Nuplex has customers in over 80 countries worldwide. Through its global R&D network of local technical service support, regional R&D centers and a dedicated Innovation Centre in The Netherlands, Nuplex works in partnership with its customers to develop the right solution for their coatings challenges.

About Allnex

Allnex, formerly Cytec Industries' Coating Resins business and acquired by Advent in 2013 for US\$1.15 billion, with sales of c. US\$1.5 billion, is a leading global producer of coating resins and additives for architectural, industrial, protective, automotive and special purpose coatings and inks. Allnex is recognized as a specialty chemicals pioneer and offers an extensive range of products including innovative liquid resins & additives, radiation cured and

powder coating resins & additives and cross linkers for use on wood, metal, plastic, and other surfaces. Today, Allnex has EBITDA of about US\$220 million and has a strong global presence with 17 manufacturing sites and 12 research & technology support facilities throughout the world, focusing on assisting its c.3,000 customers to rapidly bring advanced coating solutions to market.

About Advent International

Founded in 1984, Advent International is one of the largest and most experienced global private equity firms and a leading investor in the global Chemicals industry. Advent's investment philosophy is centred around supporting leading management teams and providing resources for further growth, in order to execute on a mutually developed strategy and investment case. To date, Advent has raised cumulative capital of c.US\$40 billion, and has executed over 310 transactions including over 30 investments in the Chemicals industry. Advent has a strong track record of making significant and successful investments, with recent chemicals transactions including Allnex (formerly Cytec Industries' Coating Resins business), Oxea, Maxam and Grupo Transmerquim. Advent also has extensive experience in conducting Public-to-Private transactions, with recent examples including Douglas, Mediq and Unit 4.
