Acquisition of Electro Medical Group

The Directors of Paragon Care Limited (ASX: PGC) ("**Paragon**" or the "**Company**") are pleased to announce the agreed acquisition of Electro Medical Group Pty Ltd ("**EMG**"), for a purchase consideration of \$3.9 million in Paragon shares and cash.

Electro Medical Group specialises in providing reliable and high-quality service support and technology management to the Medical, Scientific, Aged Care and Allied Health industry of Australia and New Zealand. EMG has established agreements in place with a number of major healthcare providers throughout the region.

Highlights:

- Acquisition of Electro Medical Group for \$3.9 million
- Paragon will increase its presence across Australia and New Zealand in this space, when combined with Paragon's existing service teams
- Modestly EPS accretive in FY17

The acquisition allows Paragon to capitalise on the growing demand for the provision of preventative service and maintenance within the health & aged care sector. The initiative will look to generate significant sales synergies over coming years when combined with Paragon's existing service and maintenance business. The transaction albeit not material in terms of additional sales and profit will be modestly EPS accretive in FY17.

The acquisition has been agreed upon with settlement to be completed over coming weeks. The consideration for EMG is \$3.9 million, which includes \$740,000 in Paragon fully paid ordinary shares with the balance in cash. There is also a deferred consideration comprising of a 2-year earn-out that will be funded from existing operating cash flow.

The Managing Director, Mark Simari commented, "The EMG acquisition is consistent with our strategy to become Australia's premier health care products and services provider. The acquisition strengthens Paragon's Australian and New Zealand representation, whilst generating significant sales synergies for the future. The acute, aged and primary care industries are expanding rapidly and this acquisition allows Paragon to be at the forefront of accommodating for their needs."
