#### **EXPLANATORY STATEMENT**

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

#### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2016 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.department13.com.

#### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report were less than 25%.

#### 3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – PHILIP GEORGE

#### 3.1 General

ASX Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 year, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Philip George, who has served as a director since December 2015, retires by rotation and seeks re-election.

#### 3.2 Qualifications and other material directorships

Mr George has experience as a managing director and operations manager with a strong background in cyber security and IT networking. He has previously worked as a general manager, technical director, global IT manager, team lead, and IT Manager. For the last eleven years, Mr George primarily serviced the Finance, Oil and Gas, Start-up and Mining and Petrochemical industries. Mr George is the former Operations Manager of Uber Australia.

Mr George is the founder of NURV Consulting which delivers custom cloud based solutions to small and medium businesses. Over six years after establishing NURV Consulting, Mr George established and maintained wholesale supplier relationships with Australian and international solutions providers to deliver premium end customer solutions.

#### 3.3 Independence

If elected the board considers Mr George will be an independent director.

#### 3.4 Board recommendation

The Board supports the re-election of Philip George and recommends that Shareholders vote in favour of Resolution 2.

#### 4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – AL TELLER

#### 4.1 General

ASX Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 year, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Al Teller, who has served as a director since December 2015, retires by rotation and seeks re-election.

#### 4.2 Qualifications and other material directorships

Mr Teller is the former Chair and CEO of the MCA Music Entertainment Group (now Universal) and the former President of Columbia Records and CBS (now Sony). Mr Teller served as the music industry's representative on the National Information Infrastructure Advisory Council created by US President Bill Clinton to develop public policy regarding the Internet. He currently consults various organisations on corporate, internet and media strategies.

After MCA, Mr Teller led two venture capital-funded businesses, Atomic Pop LLC and Red Any Entertainment, both widely regarded as innovative milestones I the growth of the digital distribution of music through the Internet.

Mr Teller graduated from Columbia University with a BS in Electronics Engineering and MS in Operations and Research and went on to earn an MBA from Harvard Business School.

#### 4.3 Independence

If elected the board does not consider Mr Teller will be an independent director.

#### 4.4 Board recommendation

The Board supports the re-election of Al Teller and recommends that Shareholders vote in favour of Resolution 3.

#### 5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY

#### 5.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital (10% Placement Capacity) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$45,409,280 (based on the number of Shares on issue and the closing price of Shares on the ASX on 27 September 2016).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: D13).

If Shareholders approve Resolution 4, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

#### 5.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

#### (a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section (i) above, the date on which the Equity Securities are issued.

#### (b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

#### (10% Placement Capacity Period).

#### (c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares and the number of Equity Securities on issue as at 27 September 2016.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on	Dilution				
Issue (Variable 'A')	Issue Price (per Share)	\$0.0485	\$0.097	\$0.145	
		50% decrease in Issue Price	Issue Price	50% increase in Issue Price	
468,136,280 (Current Variable A)	Shares issued - 10% voting dilution	46,813,628 Shares	46,813,628 Shares	46,813,628 Shares	
	Funds raised	\$2,270,460	\$4,540,921	\$6,787,976	
702,205,053 (50% increase in Variable A)	Shares issued - 10% voting dilution	70,220,505 Shares	70,220,505 Shares	70,220,505 Shares	
	Funds raised	\$3,405,694	\$6,811,388	\$10,181,973	
936,273,826 (100% increase in Variable A)	Shares issued - 10% voting dilution	93,627,382 Shares	93,627,382 Shares	93,627,382 Shares	
	Funds raised	\$4,540,928	\$9,081,856	\$13,575,970	

<sup>\*</sup>The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a prorata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

#### The table above uses the following assumptions:

- 1. There are currently 468,136,913 Shares on issue.
- 2. The issue price set out above is the closing price of the Shares on the ASX on 27 September 2016.
- 3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- 4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- 5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.

- 6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- 7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- 9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

#### (d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- as cash consideration in which case the Company intends to use funds raised for the acquisition of new complementary business assets or investments to grow the Company's asset base, ongoing development of the Company's current core business activities, or working capital; or
- (ii) as non-cash consideration for the acquisition of new complimentary businesses or investments to grow the Company's asset base in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

#### (e) Allocation policy under the 10% Placement Capacity

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;

- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

#### (f) Previous approval under ASX Listing Rule 7.1A

The Company did not seek approval under Listing Rule 7.1A at its annual general meeting, as it was in the process of completing the acquisition of D13 International LLC and undertaking the process of re-complying with Chapters 1 and 2 of the Listing Rules in accordance with Listing Rule 11.1.2.

#### (g) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

#### 5.3 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 4.

**Email Address**: Please provide your email address in the space provided. By providing your email address, you elect to receive all communications despatched by the Company electronically (where legally permissible) such as a Notice of Meeting, Proxy Voting Form and Annual Report via email.

#### **CORPORATE REPRESENTATIVES**

If a representative of the corporation is to attend the Meeting the appropriate 'Appointment of Corporate Representative' should be produced prior to admission. A form may be obtained from the Company's share registry online at https://automic.com.au.

#### ATTENDING THE MEETING

Completion of a Proxy Voting Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Voting Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
