ABOUT RENT.COM.AU

Rent.com.au is the only national web portal in Australia that focuses entirely on the property rental market and includes listings from both property agents and non-agent private landlords. Rent.com.au was established in 2007 by experienced real estate and new media entrepreneur Mr Mark Woschnak, who has more than 25 years' experience in real estate, digital publishing and classified services.

Since inception, Rent.com.au has focused on the development of the necessary technology, product alliances and critical mass of content to be ready to fully commercialise the platform. It is commercialising the site by deploying a national marketing campaign to increase traffic to the site and agent listings content, as well as commencing shifting the large volume of offline non-agent landlord listings to online at www.rent.com.au.
