To consider and, if thought fit, pass the following resolution as a **non-binding ordinary resolution**:

"That for the purposes of section 250R(2) of the Corporations Act and for all other purposes, the Remuneration Report for the year ended 30 June 2016 be adopted."

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company. Shareholders are encouraged to read the Explanatory Memorandum for further details on the consequences of voting on this Resolution 1.

Voting exclusion statement: A vote on Resolution 1 must not be cast (in any capacity) by or on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

However, a person described above may cast a vote on Resolution 1 if:

- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the proposed Resolution or the proxy is the Chair of the Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; and
- (b) it is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

Further, a Restricted Voter who is appointed as a proxy must not vote on Resolution 1 unless:

Further, a Restricted Voter who is appointed as a proxy must not vote on Resolution 4 unless:

- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the Proxy Form accompanying this Notice and by submitting their Proxy Form online, by mobile, by post or by facsimile.

Voting in person or by attorney

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and their attendance recorded. A certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below.

Voting by a corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. Written proof of the representative's appointment (including any authority under which it is signed) must be lodged with, or presented to the Company before the Meeting.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Each proxy will have the right to vote on a poll and also to speak at the Meeting.
- The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half of the votes).
- A proxy need not be a Shareholder. The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit. However, where a Restricted Voter is appointed as a proxy, the proxy may only vote on Resolutions 1, 3, 4, 5 and 6 if the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.
- Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.

- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
- A Shareholder who returns their Proxy Form with a direction how to vote, but does not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned with a direction how to vote, but the nominated proxy (who is not Chair of the Meeting) does not attend the Meeting or does not vote on the relevant Resolution(s), the Chair of the Meeting will act in place of the nominated proxy and vote on a poll in accordance with any instructions.
- Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to some of the proposed Resolutions. These rules are explained in this Notice. However, in exceptional circumstances, the Chair of the Meeting may change his voting intention, in which case an ASX announcement will be made.
- Proxies must be received by 10:00am (WST) on **20 November 2016**. Proxies received after this time will be invalid.

Explanatory Memorandum

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

Financial Reports

The Board is required to lay before the Meeting the consolidated annual financial report of the Company for the financial year ended 30 June 2016, together with the Directors' report (including the Remuneration Report) and the Auditor's Report on the financial report. No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions, and to make comments on the reports and on the management of the Company.

The Chair will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to: the conduct of the audit; the preparation and content of the independent audit report; the accounting policies adopted by the Company in relation to the preparation of the financial statements; and the independence of the Auditor in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

A copy of the Company's 2016 Annual Report is available on the ASX website or at www.azureminerals.com.au under the "Investor" tab.

Resolution 1 – Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2016 Annual Report be adopted. The Remuneration Report is set out in the Company's 2016 Annual Report.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity based compensation.

Shareholders are entitled to vote on the question as to whether the Remuneration Report is to be adopted. However, the vote on Resolution 1 is advisory only and does not bind the Directors or the Company. The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report at the Meeting.

Under the Corporations Act, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second annual general meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than any Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The Remuneration Report for the financial year ended 30 June 2015 did not receive a vote of more than 25% against its adoption at the Company's 2015 annual general meeting held on 17 November 2015. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

Resolution 2 – Re-election of Dr Wolf Martinick as a Director

Pursuant to Clause 13.2 of the Company's Constitution, Wolf Martinick, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Dr Martinick is an environmental scientist with over 40 years' experience in mineral exploration and mining projects around the world, attending to environmental, water, land access and indigenous people issues. He has conducted due diligence on mining projects around the world on behalf of international financial institutions and resource companies for a variety of transactions including listings on international stock exchanges, mergers and debt financing.

He is a founding director and chairman of Weatherly International plc, an AIM listed company with copper mines in Namibia. He was also a founding director of Basin Minerals Limited, an ASX listed mineral exploration company that discovered a world-class mineral project in Victoria, Australia, that was acquired by Iluka Resources Limited in 2003. Dr Martinick is also the non-executive Chairman of Oro Verde Limited, which is listed on ASX.

Dr Martinick has a Bachelor of Science and a Ph.D. He is a Fellow of the Australian Institute of Mining and Metallurgy.

Dr Martinick was first appointed to the Board as a Director on 1 September 2007. The Board considers that Dr Martinick, if re-elected, will continue to be classified as an independent director.

The members of the Board (other than Dr Martinick) support the re-election of Dr Martinick.

Resolution 3 – Approval to issue securities under Employee Share Option Plan

The Company has not had an employee incentive scheme in place since for some time, however, the Board now considers that it is desirable to establish an employee incentive scheme pursuant to which certain employees and Directors may be offered the opportunity to be granted options in order to attract persons of experience and ability to employment with the Company and provide incentive to the employees to remain in their employment in the long term. Accordingly, on 15 September 2016, the Directors adopted the Azure Minerals Limited Employee Share Option Plan (**Plan**).

The Plan is designed to attract, retain and motivate eligible employees, promote and foster loyalty and support amongst eligible employees for the benefit of the Company, enhance the relationship between the Company and eligible employees for the long term mutual benefit of all parties and provide eligible employees with the opportunity to share in any future growth in value of the Company through the issue of Options.

To enable the Company to secure employees and Directors who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. Under the Company's current circumstances, the Directors consider that granting options to employees and Directors are a cost effective and efficient incentive, as opposed to alternative forms of incentives such as cash bonuses or increased remuneration.

A summary of the key terms of the Plan is set out in **Annexure A**.

Shareholder approval under Listing Rule 7.2, Exception 9(b)

Listing Rule 7.2 Exception 9(b) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme that has been approved by the holders of ordinary securities within three years of the date of issue. Accordingly, the Company is seeking Shareholder approval pursuant to Resolution 3 so that an issue of Options under the Plan can fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 on the number of securities which may be issued without Shareholder approval. This will preserve the Company's ability to issue securities under Listing Rule 7.1 for other purposes, such as capital raising.

Separate Shareholder approval will be required before any Director or other related party of the Company can participate in the Plan.

In accordance with the requirements of Listing Rule 7.2 Exception 9(b), the following information is provided to Shareholders:

- (a) a summary of the rules of the Plan is set out in **Annexure A**;
- (b) the Plan has not previously been approved by Shareholders;
- (c) a voting exclusion statement has been included in relation to Resolution 3.

The Board considers that the Plan is an appropriate way to assist in the recruitment, reward, retention and motivation of Company personnel and recommend that Shareholders vote in favour of Resolution 3.

Resolutions 4, 5 and 6 – Approval to issue Director Options

The Company proposes to grant a total of 20,000,000 Director Options to the Directors, or their nominees as follows:

- Dr Wolf Martinick, non-executive Director – 5,000,000 Director Options;
- Mr Anthony Rovira, Managing Director – 10,000,000 Director Options; and
- Mr Peter Ingram, non-executive Chairman – 5,000,000 Director Options.

Each Director Option will have an exercise price equal to a 50% premium to the volume weighted average price of Shares on ASX on the 30 Trading Days before the date of this Meeting, and will have an expiry date of 30 November 2019.

The Board has determined the exercise price of the Director Options with regard to the market value of the Shares, and considers the price to be a suitable premium to the meet the objectives of the proposed grant of Director Options as outlined on pages 3 and 4 of this Explanatory Memorandum.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefits falls within one of the nominated exceptions to the provision; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit and the benefit is given within 15 months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act, each of the Directors (or their nominee(s)) is a related party of the Company.

Resolutions 4, 5 and 6 relate to the proposed grant of Director Options to each of the Directors, which is a financial benefit that requires Shareholder approval for the purposes of section 208 of the Corporations Act.

The following information in relation to the proposed issue of Director Options, the subject of Resolutions 4, 5 and 6 is provided to Shareholders for the purposes of section 219 of the Corporations Act and with reference to ASIC Regulatory Guide 76: *Related party transactions*:

Section 195(4) of the Corporations Act

Section 195(1) of the Corporations Act prohibits a director of a public company who has a material personal interest in a matter that is being considered at a directors' meeting from being present while the matter is being considered at the meeting or voting on the matter. If there is not a quorum of directors who are eligible to vote on a matter because of the operation of section 195(1) of the Corporations Act, one or more directors may call a general meeting and the general meeting may deal with the matter.

The Directors do not have a material personal interest in the issue of Director Options to a Director (or their nominee(s)) other than to himself. However, given that it is proposed that all Directors are issued Director Options pursuant to Resolutions 4, 5 and 6, they may be considered to have a material personal interest in the outcome of Resolutions 4, 5 and 6, in which case the Directors would be unable to form a quorum. Accordingly, the Board considers it prudent to exercise their right under section 195(4) of the Corporations Act, and put the matter to Shareholders to resolve.
