Infratil Infrastructure Bonds

4.90% p.a. due 15 June 2021 and 5.50% p.a. due 15 June 2024

Infratil announces that the offer of the above Series of unsecured unsubordinated Infrastructure Bonds is now open.

Infratil is offering up to \$100 million of Infrastructure Bonds in aggregate across both the General and Exchange Offers (as described below) and across both Series (with the option to accept up to \$50 million of oversubscriptions in aggregate at Infratil's discretion).

The offer will be made pursuant to the Financial Markets Conduct Act 2013 as an offer of debt securities of the same class as existing quoted debt securities. The notice required by the Financial Markets Conduct Regulations 2014 has been provided to NZX.

The key terms of the offer are contained in the Terms Sheet, a copy of which is attached.

The offer comprises a General Offer to all investors in New Zealand and an Exchange Offer under which holders of the IFT150 bonds that mature on 15 June 2016 have the opportunity (subject to availability) to exchange some or all of their maturing bonds for Infrastructure Bonds of the new Series.

Details on how to apply for the Infrastructure Bonds are set out in the Terms Sheet. The offer is now open, with the Exchange Offer closing on 13 June 2016 and the General Offer closing on 30 June 2016. In both instances Infratil may elect to close the offer earlier.

Interested investors, including holders of existing Infratil bonds that mature 15 June 2016, should contact a Lead Manager of the offer (outlined below) or your usual financial advisor for more details.

Important Notice

...

This Terms Sheet sets out the key terms of the offer ("Offer") by Infratil Limited ("Infratil") of up to \$150,000,000 of fixed rate bonds ("Infrastructure Bonds") in two separate Series:

- the first Series is a five year Infrastructure Bond maturing on 15 June 2021 ("**2021 Bonds**"); and
- the second Series is an eight year Infrastructure Bond maturing on 15 June 2024 ("**2024 Bonds**").

The Infrastructure Bonds of each Series will be issued under the programme trust deed dated 11 November 1999 (as amended from time to time) between Infratil and Trustees Executors Limited as supplemented by the series supplement for that Series dated 19 May 2016 (together, "**Trust Deed**"). Unless the context requires otherwise, capitalised terms used in this Terms Sheet have the same meaning given to them in the Trust Deed.

The offer of debt securities by Infratil is made in reliance upon the exclusion in clause 19 of schedule 1 of the Financial Markets Conduct Act 2013 ("**FMCA**").

The offer contained in this Terms Sheet is an offer of two Series of Infrastructure Bonds, each of which have identical rights, privileges, limitations and conditions (except for the interest rate and maturity date) as:

- Infratil's fixed rate bonds maturing on 15 September 2023, which have an interest rate of 5.25% per annum and which are currently quoted on the NZX Debt Market under the ticker code IFT210 ("**IFT210 Bonds**"); and
- Infratil's fixed rate bonds maturing on 15 June 2022, which have an interest rate of 6.85% per annum and which are currently quoted on the NZX Debt Market under the ticker code IFT190 ("**IFT190 Bonds**") and, together with the IFT210 Bonds, "**Quoted Bonds**").

Accordingly, the Infrastructure Bonds are the same class as the Quoted Bonds for the purposes of the FMCA and the Financial Markets Conduct Regulations 2014.

Infratil is subject to a disclosure obligation that requires it to notify certain material information to NZX Limited ("**NZX**") for the purpose of that information being made available to participants in the market and that information can be found by visiting www.nzx.com/companies/IFT.

The Quoted Bonds are the only debt securities of Infratil that are currently quoted and in the same class as the Infrastructure Bonds that are being offered.

Investors should look to the market price of the Quoted Bonds referred to above to find out how the market assesses the returns and risk premium for those bonds.

Key Terms of the Infrastructure Bonds

...

Issuer	Infratil Limited
Description	Infrastructure Bonds are unsecured, unsubordinated debt securities of Infratil to be issued pursuant to the Trust Deed.
Opening Date	20 May 2016
General Offer and Exchange Offer	<p>The Offer consists of two separate parts. Under the first part ("General Offer"), Infratil is offering Infrastructure Bonds of both Series to all investors in New Zealand.</p> <p>Under the second part ("Exchange Offer"), Infratil is offering holders of its fixed rate bonds maturing on 15 June 2016 ("2016 Bonds") the opportunity to exchange all or some of their 2016 Bonds for Infrastructure Bonds of either Series offered under this Terms Sheet. You will receive one new Infrastructure Bond of the relevant series for each 2016 Bond exchanged under the Exchange Offer. Once you submit a completed Exchange Offer application form you will no longer be able to sell or otherwise transfer your 2016 Bonds designated in that application form.</p>
Offer Amount	The Offer is for up to \$100 million of Infrastructure Bonds in aggregate across both the General Offer and the Exchange Offer and across both Series of Infrastructure Bonds (with the option to accept oversubscriptions of up to \$50 million in aggregate at Infratil's discretion). Accordingly, the maximum aggregate amount of Infrastructure Bonds being offered by Infratil is \$150 million. There is no minimum size for each Series of Infrastructure Bonds.
Closing Date	<p>General Offer: 5.00pm, 30 June 2016</p> <p>Exchange Offer: 5.00pm, 13 June 2016</p>
Interest Rate	<p>2021 Bonds: 4.90% per annum</p> <p>2024 Bonds: 5.50% per annum</p>
Maturity Date	<p>2021 Bonds: 15 June 2021</p> <p>2024 Bonds: 15 June 2024</p>
Interest Payment Dates	15 March, 15 June, 15 September and 15 December of each year until and including the Maturity Date (commencing on 15 September 2016).

Interest Payments

Other than for the first Interest Payment Date, Infratil will pay interest in arrears in equal amounts on each Interest Payment Date.

Interest payable on each Infrastructure Bond on the first Interest Payment Date will accrue at the Interest Rate from (and including) the date on which your subscription moneys have been banked into the trust account operated in respect of the Offer to (but excluding) the first Interest Payment Date. For Infrastructure Bonds allotted under the Exchange Offer, the redemption proceeds of the 2016 Bonds will be banked into the trust account operated in respect of the Offer on 15 June 2016 and interest on those Infrastructure Bonds will accrue from that date.

In addition, if the Infrastructure Bonds are redeemed on a day that is not an Interest Payment Date (see "Right to Redeem Early" and "Early Redemption Events" below), the amount of interest that will be payable to you will be adjusted to reflect the number of days in the interest period in which the interest accrued.

First Interest Payment to Original Subscriber

Interest payable on the first Interest Payment Date will be paid by Infratil to the original subscriber of an Infrastructure Bond regardless of any transfer of the Infrastructure Bond prior to the first Interest Payment Date.

Interest Suspension and Dividend Stopper

Infratil may suspend the payment of interest where an Interest Suspension Event exists. If the payment of interest is suspended:

- a) interest will continue to accrue (without compounding) and will be paid by Infratil when the Interest Suspension Event ceases to exist; and
- b) Infratil will not pay or make any distribution to shareholders or provide any financial assistance for the acquisition of shares in Infratil.

Interest Suspension Events

In summary, an Interest Suspension Event may occur if:

- a) the interest payment would be likely to breach the solvency test in section 4 of the Companies Act 1993;
- b) the interest payment would be likely to result in a breach of the terms or conditions of other financial indebtedness incurred by Infratil or certain of its subsidiaries; or
- c) the interest payment would be likely to result in a breach of any other legal obligation by Infratil or certain of its subsidiaries.

Right to Redeem Early

Infratil has the right to redeem all or some of the Infrastructure Bonds of each Series prior to the Maturity Date for that Series by giving you no less than five Business Days' notice. Infratil may only exercise this right if:

- a) the Supervisor has not declared the relevant Series of Infrastructure Bonds due and payable because an event of default as described in clause 8.1 of the Trust Deed exists; and
- b) the notice of early redemption is given at a time prior to the day falling 25 Business Days before the Maturity Date.

You have no right of early redemption except following an Early Redemption Event.

Early Redemption Events

In summary, an Early Redemption Event may occur if:

- a) an event of default as described in clause 8.1 of the Trust Deed occurs; or
- b) certain takeover offers are made in respect of the shares in Infratil.

In general terms, the events of default include non-payment for 14 days or more and the occurrence of certain insolvency related events in relation to Infratil.

Liabilities to Assets Covenant

Infratil has agreed for the benefit of Bondholders that, on the last day of each financial year and financial half-year of Infratil (and in certain other circumstances), Borrowed Money Indebtedness of the Issuer Group (currently comprising of Infratil and its 100% owned subsidiaries) will not exceed 50% of Tangible Assets of Infratil and its subsidiaries as at that date.

Ranking of Infrastructure Bonds

The Infrastructure Bonds are unsecured and unsubordinated debt obligations of Infratil. This means that in a liquidation of Infratil your rights and claims as a Bondholder:

- a) will rank **after** the claims of (i) secured creditors of Infratil (if any), and (ii) creditors of Infratil who are preferred by law (eg, the Inland Revenue Department in respect of unpaid tax);
- b) will rank **equally** with the claims of all other unsecured, unsubordinated creditors of Infratil; and
- c) will rank in **priority** to the claims of (i) subordinated creditors of Infratil (if any) (being creditors who have agreed to accept a lower priority in respect of their claims in a liquidation of Infratil), and (ii) shareholders.

Infratil is a holding company with investments in various companies. **Bondholders have no claims against, or recourse to the assets of, any of those companies.** Infratil's ability to make timely payments on the Infrastructure Bonds is dependent on the returns it receives from its investments, its capital structure and the quality of its management.

In a liquidation of the Infratil group, creditors of Infratil's subsidiaries and associates (including lenders) would have a prior claim to the assets of those companies ranking ahead of the claim of Infratil's liquidator (claiming as shareholder in the companies). Only the residual assets of the companies, after the claims of the companies' creditors have been satisfied, would be available to Infratil's liquidator and therefore Infratil's creditors (including Bondholders).

No Guarantee

The Infrastructure Bonds are not guaranteed by any member of the Infratil group or any other person.

By supplying **your mobile number** you will enable the Registrar to advise you by TXT Alerts (post allotment for New Zealand investors only) of any changes on your holding balance, or if your bank account details or address on register change, or if a new/replacement FIN has been requested.

This feature provides additional security to you as an investor.

B = Application Payment Details

Please enter the aggregate Face Value of Infrastructure Bonds of each Series that you wish to apply for. Each Infrastructure Bond has a Face Value of \$1.00. An application to subscribe for Infrastructure Bonds of each Series must be for a minimum aggregate Face Value of \$5,000 and thereafter in multiples of \$1,000.

Payment must be made by direct debit, cheque (or, if the application is for an aggregate subscription amount of \$500,000 or more, by a bank cheque) or (by prior arrangement with the Registrar) through the NZClear System.

Cheques must be in New Zealand dollars and drawn on a New Zealand branch of a registered bank. Cheques must be made payable to "Infratil Bond Offer", crossed "Not Transferable" and must not be post-dated. Staple your cheque to the completed General Offer application form.

Your cheque will be banked upon receipt into a designated bank trust account pending allotment of the Infrastructure Bonds. The banking of application moneys does not constitute confirmation of allotment of any Infrastructure Bonds or acceptance of an offer to subscribe for Infrastructure Bonds.

If you choose the direct debit option, you must tick the box authorising the Registrar to direct debit the bank account nominated on the General Offer application form on any day after the General Offer application form is received by the Registrar for the amount applied for on the General Offer application form. You cannot specify a direct debit date and you must ensure that:

- the bank account details supplied are correct;
- sufficient funds in the bank account for direct debit are available on the day the Registrar receives the General Offer application form;
- the person(s) giving the direct debit instruction has/have the authority to operate the account solely/jointly; and
- the bank account you nominated is a transactional account eligible for direct debit transactions.

If you are uncertain, you should contact your bank or financial institution. Should your direct debit fail, your application will be rejected. The Registrar will not be able to process your direct debit if you do not sign and date the General Offer application form. If requested, the Registrar will provide you with a direct debit authority form.

If an applicant's cheque or direct debit is dishonoured, Infratil may cancel that applicant's allotment of Infrastructure Bonds and pursue any other remedies available to it at law. Investors who are members of NZClear may, by prior arrangement with the Registrar, settle their applications for the Infrastructure Bonds on the relevant Issue Date of the Infrastructure Bonds through the NZClear System.

C = Holder Number Details

If you have other investments registered under a Common Shareholder Number ("CSN") please supply your CSN in the space provided. The name and address details on your General Offer application form must correspond with the registration details under that CSN.

D = Interest and Redemption Payments

If you currently receive interest or dividend payments from the Registrar by direct credit, and wish your payments in respect of the Infrastructure Bonds to be direct credited to the same account, then you do not need to complete section D of the General Offer application form.

If payment to your cash management account with a Primary Market Participant is selected, tick the box for option 1, insert the name of the Primary Market Participant where your cash management account is held and provide your cash management client account number.

If you wish to be paid by direct credit and the Registrar does not already hold your bank account details or you wish to have payments credited to another bank account, please tick the box for option 2 and enter the details of the bank account.

E = Provide your IRD number and tick the relevant RWT box

Please enter your IRD number and tick the resident withholding tax ("RWT") rate that applies to you (or, if you are exempt from RWT, tick the exempt box and attach a photocopy of your RWT exemption certificate).

F = Electronic Investor Correspondence

By supplying your email address Infratil will be able to deliver your investor correspondence to you electronically where possible. This is a much more environmentally friendly, cost effective and timely option than paper based investor mail outs.

G = Signing and Dating

Read the Terms Sheet and General Offer application form carefully and sign and date the General Offer application form.

The General Offer application form must be signed by the applicant(s) personally, or by two directors of a company (or one director if there is only one director, whose signature must be witnessed), or in either case by a duly authorised attorney or agent.

If the General Offer application form is signed by an attorney, the power of attorney document is not required to be lodged, but the attorney must complete the certificate of non-revocation of power of attorney following the General Offer application form.

If the General Offer application form is signed by an agent, the agent must complete the certificate of non-revocation of agent following the General Offer application form.

Joint applicants must each sign the General Offer application form.

H = General Offer Closing Date and Delivery

The General Offer will close at 5.00pm on 30 June 2016. Applicants should remember that the Closing Date of the General Offer may be changed at the sole discretion of Infratil. Changes will be advised by NZX announcement. Infratil reserves the right to refuse to accept applications received by the Registrar after the Closing Date of the General Offer. Exchange Offer Application Instructions

...

These application instructions relate to an application for Infrastructure Bonds under the Exchange Offer. An application to subscribe for Infrastructure Bonds under the Exchange Offer must be made on the Exchange Offer application form following these application instructions.

An application will constitute an irrevocable offer by the applicant to subscribe for the aggregate Face Value of Infrastructure Bonds of the relevant Series specified in the Exchange Offer application form (or such lesser amount which Infratil may determine) on the terms set out in this Terms Sheet, the Trust Deed, the applicable Series Supplement, and the Exchange Offer application form.

A = Investor Details

Please complete all relevant sections in the Exchange Offer application form in CAPITAL LETTERS.

Full name details: Insert your full name. Applications must be in the name(s) of the natural persons, companies or other legal entities which hold the Infrastructure Bonds due 15 June 2016 ("**2016 Bonds**") to be exchanged under the Exchange Offer. Use the table below to see how to write your name correctly.

More than one person	JOHN SMITH MICHELLE SMITH	J & M SMITH

For joint applicants, only one address is to be provided.

Telephone numbers: Insert your telephone number(s) in case the Registrar or Infratil needs to contact you in relation to your application.

B = Application details

Please enter the aggregate Face Value of Infrastructure Bonds of each Series that you wish to apply for. Each Infrastructure Bond has a Face Value of \$1.00. Unless you are applying to exchange all of your 2016 Bonds, an application to subscribe for new Infrastructure Bonds of each Series must be for a minimum aggregate Face Value of \$5,000 and thereafter in multiples of \$1,000. The maximum amount of Infrastructure Bonds you may apply for across both Series under the Exchange Offer is equal to the number of 2016 Bonds you hold.

2016 Bonds that are not exchanged under the Exchange Offer will remain on issue subject to their existing terms and conditions.

C = Holder number details

If you have other investments registered under a Common Shareholder Number ("**CSN**") please supply your CSN in the space provided. The name and address details on your Exchange Offer application form must correspond with the registration details under that CSN.

D = Interest and redemption payments

If you wish your payments in respect of the new Infrastructure Bonds to be direct credited to the same account to which payments in respect of your 2016 Bonds are made, then you do not need to complete section D of the Exchange Offer application form.

If payment to your cash management account with a Primary Market Participant is selected, tick the box for option 1, insert the name of the Primary Market Participant where your cash management account is held and provide your cash management client account number.

If you wish to be paid by direct credit but wish to have payments in respect of your new Infrastructure Bonds credited to a different bank account than the account to which payments in respect of your 2016 Bonds are currently made, please tick the box for option 2 and enter the details of the bank account.

E = Provide your IRD number and tick the relevant RWT box

Please enter your IRD number and tick the resident withholding tax (“**RWT**”) rate that applies to you (or, if you are exempt from RWT, tick the exempt box and attach a photocopy of your RWT exemption certificate).

F = Electronic investor correspondence

By supplying your email address Infratil will be able to deliver your investor correspondence to you electronically where possible. This is a much more environmentally friendly, cost effective and timely option than paper based investor mail outs.

G = Signing and dating

Read this Terms Sheet and Exchange Offer application form carefully and sign and date the Exchange Offer application form.

The Exchange Offer application form must be signed by the applicant(s) personally, or by two directors of a company (or one director if there is only one director, whose signature must be witnessed), or in either case by a duly authorised attorney or agent.

If the Exchange Offer application form is signed by an attorney, the power of attorney document is not required to be lodged, but the attorney must complete the certificate of non-revocation of power of attorney following the Exchange Offer application form.

If the Exchange Offer application form is signed by an agent, the agent must complete the certificate of non-revocation of agent following the Exchange Offer application form.

Joint applicants must each sign the Exchange Offer application form.

H = Exchange Offer Closing Date and Delivery

The Exchange Offer will close at 5.00pm on 13 June 2016. Applicants should remember that the Closing Date of the Exchange Offer may be changed at the sole discretion of Infratil. Changes will be advised by NZX announcement. Infratil reserves the right to refuse to accept applications received by the Registrar after the Closing Date of the Exchange Offer. 20 May 2016

Dear Bondholder

INFRATIL INFRASTRUCTURE BONDS MATURING 15 JUNE 2016

Infratil has announced that it is making a new offer of unsecured, unsubordinated, fixed interest bonds in two separate series (**New Bonds**). The maturity dates and coupon rates of the two series of New Bonds are:

- Maturity date of 15 June 2021 with a coupon of 4.90% pa.
- Maturity date of 15 June 2024 with a coupon of 5.50% pa.

As part of the offer of New Bonds, Infratil is offering holders of its bonds maturing on 15 June 2016 (**2016 Bonds**) the opportunity (subject to availability) to exchange all or some of those 2016 Bonds for New Bonds of either series via an exchange offer (**Exchange Offer**).

You have three options:

1. You can do nothing in which case the 2016 Bonds will be repaid in accordance with their terms.
2. You can complete the Exchange Offer application form in the Terms Sheet and apply to roll some or all of your 2016 Bonds into one, or a combination of both, series of the New Bonds. Any maturing bonds that you elect not to roll-over will be repaid to you in accordance with their terms.
3. You can complete the Exchange Offer application form in the Terms Sheet and apply to roll all of your 2016 Bonds plus an additional sum (by also completing the general offer application form) into one, or a combination of both, series of the New Bonds. In that case you will need to pay the additional sum as per the instructions in the Terms Sheet.

If your application for the Exchange Offer is accepted you will receive one New Bond of the relevant series for each 2016 Bond exchanged. Once you submit a completed Exchange Offer application form you will no longer be able to sell or otherwise transfer your 2016 Bonds designated in that application form.

The Exchange Offer closing date is 5.00pm on 13 June 2016, although Infratil may close the offer earlier. Accordingly, applicants are encouraged to submit their application forms as soon as possible.

If you would like advice in respect of your choices or additional information we suggest that you contact your financial adviser or one of the managers to the New Bond issue.

Copies of the Terms Sheet will be available from your broker, from one of the managers listed below and on Infratil's website www.infratil.com/for-investors/bonds/.
