The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

CORPORATE GOVERNANCE STATEMENT 2016/17

West African Resources ('WAF') has in place corporate governance practices that are formally embodied in corporate governance policies and codes adopted by the Board ('the Policies'). The aim of the Policies are to ensure that the Company is effectively directed and managed, that risks are identified, monitored and assessed and that appropriate disclosures are made.

In preparing the Policies, the Directors considered the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations" ('ASX Principles') which Companies are required to report against commencing after 1 July 2014. To the extent that they are applicable, and given its circumstances, the Company adopts the Eight Essential Corporate Governance Principles and Best Practice Recommendations ('Recommendations') published by the Corporate Governance Council of the ASX.

Where the Company's corporate governance practices follow a recommendation, the Board has made appropriate statements reporting on the adoption of the recommendation. Where, after due consideration, the Company's corporate governance practices depart from a recommendation, the Board has offered full disclosure and reason for the adoption of its own practice, in compliance with the "if not, why not" regime.

The Board has adopted the following policies, statement, charters, policies and procedures:

- Board Charter
- Audit Committee Charter
- Remuneration Committee Charter
- Nomination Committee Charter
- Code of Conduct
- Trading in Company Securities
- Risk Management Policy
- Shareholder Communication Strategy
- Continuous Disclosure Policy

The Company's corporate governance policies are available on the Company's website at: www.westafricanresources.com.

As the Company's activities develop in size, nature and scope, the size of the Board and the implementation of additional corporate governance structures will be afforded further consideration.

Principle	Recommendation	Conform (Y/N)	Disclosure
1 – Lay solid foundations for management and oversight	1.1 A listed entity should disclose:		WAF has not formally disclosed the functions reserved to the Board and those delegated to senior executives, however the appointment of non-executive directors to the Board is formalised in writing by way of a letter or other agreement. Explanation for Departure: The Board recognises the importance of distinguishing between the respective roles and responsibilities of the Board and management. The Board has established an informal framework for the management of the Company and the roles and responsibilities of the Board and management. Due to the small size of the Board and of the Company, the Board do not think that it is necessary to formally document the roles of Board and management as it believes that these roles are being carried out in practice and are clearly understood by all members of the Board and management. The Board is responsible for the strategic direction of the Company, establishing goals for management and monitoring the achievement of these goals, monitoring the overall corporate governance of the Company and ensuring that Shareholder value is increased. The Company has one executive, being the Managing Director. The Managing Director is responsible for ensuring that the Company achieves the goals established by the Board. The appointments of non-executive directors are formalised in accordance with the regulatory requirements and the Company's constitution. The Company Secretary's role is to support the effectiveness of the Board and its committees where applicable. The Company Secretary's role includes, but is not limited to: - advising the Board and its Committees (where applicable) on governance matters; - monitoring the Board and Committee's (where applicable) policies and procedures are followed;

	(b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director.	Y	
	1.3 A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.	Y

Each Director of the Company is able to communicate directly with the Company Secretary and vice versa. More information in the Board Charter. A Diversity policy has not been established. Explanation for Departure The Board considers that the Company is not currently of a size, or its affairs of such complexity, that the formation of a diversity policy is justified at this time. WAF has 62 employees, of which 11 are women. There are no women in senior executive positions or on the board

Further, each Director is entitled to seek independent professional advice (including but not limited to legal, accounting and financial advice) at the Company's expense on any matter connected with the discharge of his or her responsibilities, in accordance with the procedures and subject to the conditions set out in the Board's charter. Board structure and composition will be reviewed as and when the Company's strategic directions and activities change. Directors and management may receive options or shares. Explanation for Departure The current remuneration of the Directors is disclosed in the Directors' Report. Non-executive Directors receive a fixed fee for their services and may also receive options or shares. The issue of options or shares to non-executive Directors may be an appropriate method of providing sufficient incentive and reward while maintaining cash reserves. Due to the Company's early stage of development and small size, it does not consider that a separate remuneration committee would add any efficiency to the process of determining the levels of remuneration for the Directors and key executives. The Board believes it is more appropriate to set aside time at specified Board meetings each year to specifically address matters that would ordinarily fall to a remuneration committee. In addition, all matters of remuneration will continue to be in accordance with regulatory requirements, especially in respect of related party transactions; that is, none of the Directors will participate in any deliberations regarding their own remuneration or related issues.
