

## MEDIA RELEASE

**1<sup>st</sup> June, 2016**

**Immediate Release**

**MOQdigital recognised as 2016 Microsoft Country Partner of the Year for Australia and finalist for Microsoft Worldwide Internet of Things Award.**

**Sydney, Australia — June 1, 2016** - MOQdigital today proudly announced it has won the 2016 **Microsoft Country Partner of the Year Award** for Australia and is a finalist for the **Microsoft Worldwide Internet of Things Award**. The company was honoured among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

According to Nicki Page, CEO MOQdigital, the awards are a significant accolade for the company and they are a testament to the teams' hard work and depth of experience as they delivered an innovative IoT solution for a global construction and engineering company, to monitor the health and safety of employees working in high temperate conditions in remote locations.

*"As a Gold Partner and multi-award winning company, MOQdigital is extremely proud in working with Microsoft to create premium quality solutions which achieve real business outcomes for our' customers. At MOQdigital, we are committed to plan, build and support our customers' digital environments through the smart integration of technology, enabling people and businesses to achieve more."* she said.

Awards were presented in several categories, with winners chosen from a set of more than 2,500 entrants from 119 countries worldwide.

The Microsoft Country Partner of the Year Awards honour partners at the country level that have demonstrated business excellence in delivering Microsoft solutions to multiple customers over the past year. This award recognises MOQdigital as succeeding in effective engagement with its local Microsoft office while showcasing innovation and business impact, driving

customer satisfaction, and winning new customers. MOQdigital was recognised for providing outstanding solutions and services in Internet of Things.

Pip Marlow, Managing Director, Microsoft Australia said, *“These awards represent the best and brightest of our partners on a global stage who are working every day to help transform Australian businesses with Microsoft technology.”*

*“Congratulations to all of the winners this year for this incredible achievement. It’s great to see such powerful examples of innovative excellence in our partner community.”*

The Microsoft Partner of the Year Awards recognise Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the past year.
