

Appendix 4C
Quarterly report
for entities admitted
on the basis of commitments

eCargo Holdings Limited ("ECG" or the "Group") is pleased to provide its Appendix 4C cash flows report for the period ended 30 June 2016.

Overview:

For the second quarter of 2016, ECG generated cash flow from Merchants of HKD34.0 million, maintained at a similar level by comparing with the previous quarter. The commercial activity and outlook for online retail sales remain positive, with Merchants showing a growing interest in expanding online operations to China, South East Asia and Australia, particularly in the FMCG market. Management believes the existing contracted Merchants shall continue to grow and make positive contributions to the Group.

Personnel costs increased HKD2.4 million from the previous quarter, mainly due to the bonuses paid for China and Hong Kong employees.

ECG maintained a cash balance of HKD65.8 million at the end of the quarter with net cash outflows for the quarter of HKD18.4 million.

About ECG

ECG is a China-based eCommerce technology and specialist execution group of companies, with operating companies in China and Australia trading under the eCargo and Amblique brands, providing on-demand digital commerce technology development and related execution capabilities for retailers and fashion brands. ECG is a strategic investor in WWE & Company, a social shopping mobile platform technology company in China.

Amblique is a leading digital commerce consultancy providing retail strategy, eCommerce platform implementation and optimisation services in Australia and New Zealand. eCargo acts as a "one-stop" enabling partner for designer fashion, branded apparel and retail companies seeking to sell their products online in China, Australia and around the world by providing integrated online and offline technology and supply chain solutions.

ECG connects consumers with brands online and offline through the development and marketing of eCommerce platforms, brand site transactional platforms and major marketplace platforms in China such as Alibaba Group's Tmall, Tencent's WeChat and JD.com.
