

ASX ANNOUNCEMENT

Waste Services Contract Update

18 May 2016

ASX Limited

Tox Free Solutions Limited (**Toxfree**) has been informed an expression of interest process is underway for the provision of waste management services for the operational phase of Chevron Australia Pty Ltd's (Chevron) Western Australian assets. Toxfree is currently providing waste services to the Gorgon Project under a contract until 2020.

Toxfree believes it is well positioned to participate in, and put forward, a competitive bid in the formal tender process with the objective to continue its role as the waste services provider.

Toxfree has a number of strategically licensed waste treatment facilities and technologies positioning it as a leading waste service provider to the industry. Over the last 6 months Toxfree has also worked to drive productivity and cost improvements.

Toxfree has a strong track record and it looks forward to participating in the tender process.

Toxfree will update shareholders as and when it is in a position to inform the market.

Yours sincerely

David McArthur
