¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

CORPORATE GOVERNANCE STATEMENT

This Corporate Governance Statement is current as at 21 October 2016 and has been approved by the Board of the Company on that date.

This Corporate Governance Statement discloses the extent to which the Company as at the date follows the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (3rd Edition) (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that will not be followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations as a Listed Investment Company, a number of the recommendations below are difficult to adopt in full. Whilst the company does have an Audit & Risk Committee, the Board considers the Company will not gain any benefit from other individual Board committees and that its resources would be better utilised in other areas. The Board is of the strong view that the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees. The Company's Corporate Governance Plan is available on the Company's website at www.ozgrowth.com.

A copy of the Company's Board Charter, which is part of the Company's Corporate Governance Plan, is available on the Company's website.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a Director; and (b) provide security holders with all material information relevant to a decision on whether or not to elect or re-elect a Director.	YES	(a) The Company has guidelines for the appointment and selection of the Board in its Corporate Governance Plan. The Company's Nomination Committee Charter (in the Company's Corporate Governance Plan) requires the Nomination Committee (or, in its absence, the Board) to ensure appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person, or putting forward to security holders a candidate for election, as a Director. (b) Under the Nomination Committee Charter, all material information relevant to a decision on whether or not to elect or re-elect a Director must be provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a Director.

(b) The Diversity Policy is available, as part of the Corporate Governance Plan, on the Company's website. The Board does not presently intend to set measureable gender diversity objectives because - the Board considers the application of a measurable gender diversity objective requiring a specified proportion of women on the Board and in senior executive roles will, given the small size of the Company and the Board, unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing based on skills and merit.

It may do so with the aid of an independent advisor. The process for this is set out in the Company's Corporate Governance Plan, which is available on the Company's website. (b) The Company's Corporate Governance Plan requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. The Company intends to complete performance evaluations in respect of the Board, its committees (if any) and individual Directors for the each financial year in accordance with the above process.
Recommendation 1.7 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of its senior executives; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.	Not Applicable	Westoz is a Listed Investment Company. The mandate for the management of the company is outsourced. As such, the company does not have any senior executives at this point in time.
