The terms of Performance Rights are set out as follows:

- (a) **(Milestones):** ASX Co Performance Rights will have the following milestones attached to them:
- (i) **A Class Performance Rights:** SSG executes a launch contract for at least two nanosatellites within eighteen (18) months of Settlement (as defined below) – 500,000,000 Performance Shares (**Milestone 1**);
 - (ii) **B Class Performance Rights:** SSG completes the design and manufacture of a working nano satellite together with the integration of requisites systems and communication capability, including a Launch Readiness Review (LRR) of the nano satellite by its manufacturer to prove that the nano satellite is fully validated and tested for launch, within twenty four (24) months of Settlement – 500,000,000 Performance Shares (**Milestone 2**);
 - (iii) **C Class Performance Rights:** SSG successfully launches at least two nano satellites and completes successful full service testing of operating system to confirm delivery of voice and messaging data, including an In-Orbit Acceptance Review (IOAR) conducted by the nano satellite manufacturer or a qualified independent third party to demonstrate that the communication payload is operating according to specifications, within thirty (30) months of Settlement – 500,000,000 Performance Shares (**Milestone 3**); and
- (each referred to as a **Milestone**).
- (b) **(Notification regarding achievement of Milestone)** SSG shall notify ASX Co in writing when the relevant Milestones have been achieved, supported by tangible evidence, and ASX Co shall notify the holder in writing when the relevant Milestones have been satisfied.
- (c) **(Vesting):** The Performance Rights will vest on the date the Milestone relating to that Performance Right has been satisfied.
- (d) **(Consideration):** The Performance Rights will be issued for no consideration.
- (e) **(Conversion):** Upon vesting, each Performance Right will, at the election of the holder, convert into one fully paid ordinary share in ASX Co (**Share**).
- (f) **(Lapse):** Any Performance Right that has not vested on or prior to its due date for satisfaction will automatically lapse.
- (g) **(Share ranking):** All Shares issued upon the vesting of Performance Rights will upon issue rank pari passu in all respects with other Shares.
- (h) **(Listing of shares on ASX):** ASX Co will not apply for quotation of the Performance Rights on ASX. However, ASX Co will apply for quotation of all Shares issued pursuant to the vesting of Performance Rights on ASX within the period required by ASX.
- (i) **(Transfer of ASX Co Performance Rights):** ASX Co Performance Rights are not transferable.

- (j) **(Participation in Entitlements and Bonus Issues):** Subject always to the rights under item (l) (Reorganisation of Capital), Holders of ASX Co Performance Rights will not be entitled to participate in new issues of capital offered to holders of ASX Co Shares such as bonus issues and entitlement issues.
- (k) **(Adjustment for bonus issue):** If securities are issued pro-rata to shareholders generally by way of bonus issue (other than an issue in lieu of dividends by way of dividend reinvestment), the number of Performance Rights to which each holder is entitled will be increased by that number of securities which the holder would have been entitled if the Performance Rights held by the holder were vested immediately prior to the record date of the bonus issue, and in any event in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the bonus issue.
- (l) **(Reorganisation of Capital):** In the event that the issued capital of ASX Co is reconstructed, all rights of a Holder will be changed to the extent necessary to comply with the ASX Listing Rules at the time of reorganisation provided that, subject to compliance with the ASX Listing Rules, following such reorganisation the economic and other rights of the holder are not diminished or terminated.
- (m) **(Dividend and Voting Rights):** Performance Rights do not confer on the holder an entitlement to vote or receive dividends.
- (n) **(Change in Control):** Upon:
- (i) a takeover bid under Chapter 6 of the Corporations Act having been made in respect of ASX Co and:
 - (E) having received acceptances for not less than 50.1% of ASX Co's shares on issue; and
 - (F) having been declared unconditional by the bidder; or
 - (ii) a Court granting orders approving a compromise or arrangement for the purposes of or in connection with a scheme of arrangement for the reconstruction of ASX Co or its amalgamation with any other company or companies,

then, to the extent Performance Rights have not converted into ASX Co Shares due to satisfaction of a Milestone, ASX Co Performance Rights will automatically convert to that number of ASX Co Shares which when issued together with all ASX Co Shares issued under any other class of Performance Rights then on issue in ASX Co, is equal to the lesser of one ASX Co Share per Performance Right and 10% of the total ASX Co Shares on issue at that time. ASX Co Performance Rights that are not converted into ASX Co Shares will continue to be held by the holder on the same terms and conditions.

SCHEDULE 2

ANNEXURE G – TERMS OF PERFORMANCE SHARES

The terms of the Performance Shares are set out as follows:

1. Rights attaching to the Performance Shares

- (a) **(Performance Shares):** Each Performance Share is a share in the capital of Burleson Energy Limited (ACN 117 770 475) (**BUR**).
- (b) **(General meetings):** Each Performance Share confers on the holder (**Holder**) the right to receive notices of general meetings and financial reports and accounts of BUR that are circulated to the holders of fully paid ordinary shares in the capital of BUR (**Shareholders**). Holders have the right to attend general meetings of Shareholders.
- (c) **(No voting rights):** A Performance Share does not entitle the Holder to vote on any resolutions proposed by BUR except as otherwise required by law.
- (d) **(No dividend rights):** A Performance Share does not entitle the Holder to any dividends.
- (e) **(No rights to return of capital)** A Performance Share does not entitle the Holder to a return of capital, whether in a winding up, upon a reduction of capital or otherwise.
- (f) **(Rights on winding up):** A Performance Share does not entitle the Holder to participate in the surplus profits or assets of BUR upon winding up.
- (g) **(Not transferable):** A Performance Share is not transferable.
- (h) **(Reorganisation of capital):** If at any time the issued capital of BUR is reconstructed (including a consolidation, subdivision, reduction, cancellation or return of issued share capital), all rights of a Holder will be changed to the extent necessary to comply with the applicable ASX Listing Rules at the time of reorganisation.
- (i) **(Application to ASX):** The Performance Shares will not be quoted on ASX. However, if BUR is listed on ASX at the time of conversion of the performance shares into fully paid ordinary shares (**Shares**), BUR must within 10 Business Days apply for the official quotation of the Shares arising from the conversion on ASX.
- (j) **(Participation in entitlements and bonus issues):** A Performance Share does not entitle a Holder (in their capacity as a holder of a Performance Share) to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
- (k) **(Amendments required by ASX):** The terms of Performance Share may be amended as necessary by the BUR board in order to comply with the ASX Listing Rules, or any directions of ASX regarding the terms provided that, subject to compliance with the ASX Listing Rules, following such amendment, the economic and other rights of the Holder are not diminished or terminated.

- (l) **(No Other Rights):** A Performance Share gives the Holder no rights other than those expressly provided by these terms and those provided at law where such rights at law cannot be excluded by these terms.

2. **Conversion of the Performance Shares**

- (a) **(Milestones):** A Performance Share in the relevant class will convert into one Share upon achievement of:

- (i) **A Class Performance Shares:** SSG executes a launch contract for at least two nanosatellites within eighteen (18) months of Settlement (**Milestone 1**);
- (ii) **B Class Performance Shares:** SSG completes the design and manufacture of a working nano satellite together with the integration of requisites systems and communication capability, including a Launch Readiness Review (LRR) of the nano satellite by its manufacturer to prove that the nano satellite is fully validated and tested for launch, within twenty four (24) months of Settlement (**Milestone 2**); and
- (iii) **C Class Performance Shares:** SSG successfully launches at least two nano satellites and completes successful full service testing of operating system to confirm delivery of voice and messaging data, including an In-Orbit Acceptance Review (IOAR) conducted by the nano satellite manufacturer or a qualified independent third party to demonstrate that the communication payload is operating according to specifications, within thirty (30) months of Settlement (**Milestone 3**);

(each referred to as a **Milestone**).

- (b) **(Conversion on change of control):** Notwithstanding the relevant Milestone has not been satisfied, upon the occurrence of either:

- (i) a takeover bid under Chapter 6 of the *Corporations Act 2001* (Cth) having been made in respect of BUR having received acceptances for more than 50% of BUR's shares on issue and being declared unconditional by the bidder; or
- (ii) a Court granting orders approving a compromise or arrangement for the purposes of or in connection with a scheme of arrangement for the reconstruction of BUR or its amalgamation with any other company or companies,

that number of Performance Shares that is equal to a maximum of 10% of the Shares on issue immediately following conversion under this paragraph will convert into an equivalent number of Shares. The conversion will be completed on a pro rata basis across each class of Performance Shares then on issue as well as on a pro rata basis for each Holder. Performance Shares that are not converted into Shares under this paragraph will continue to be held by the Holders on the same terms and conditions.

(c) **(Takeover Provisions)**

- (i) If the conversion of Performance Shares (or part thereof) under clauses 22(a) or 22(b) would result in any person being in contravention of section 606(1) of the Corporations Act, then the conversion of each Performance Share that would cause the contravention shall be deferred until such time or times thereafter that the conversion would not result in a contravention of section 606(1). Following a deferment under this clause 22(c), the Company shall at all times be required to convert that number of Performance Shares that would not result in a contravention of section 606(1).
 - (ii) The Holders shall give notification to the Company in writing if they consider that the conversion of Performance Shares (or part thereof) under clauses 22(a) or 22(b) may result in the contravention of section 606(1), failing which the Company shall assume that the conversion of Performance Shares (or part thereof) under clauses 22(a) or 22(b) will not result in any person being in contravention of section 606(1).
 - (iii) The Company may (but is not obliged to), by written notice, request the Holders to give notification to the Company in writing within seven (7) days if they consider that the conversion of Performance Shares (or part thereof) under clauses 22(a) or 22(b) may result in the contravention of section 606(1). If the Holders do not give notification to the Company within seven (7) days that they consider the conversion of Performance Shares (or part thereof) under clauses 22(a) or 22(b) may result in the contravention of section 606(1), then the Company shall assume that the conversion of Performance Shares (or part thereof) under clauses 22(a) or 22(b) will not result in any person being in contravention of section 606(1).
- (d) **(Redemption if Milestone not achieved)** If the relevant Milestone is not achieved by the required date, then the total number of Performance Shares on issue to each Holder will convert into one (1) Share.
- (e) **(Conversion Procedure):** BUR will issue the Holder with a new holding statement for the Share issued upon conversion of a Performance Share within 10 Business Days following the conversion.
- (f) **(Ranking upon conversion)** The Share into which a Performance Share may convert will rank pari passu in all respects with the existing BUR Shares.
