## **About Black Rock Mining**

*Black Rock Mining Limited is an Australian based company listed on the Australian Securities Exchange. The Company has graphite tenure in the Mahenge region, Tanzania, a Country which hosts world-class graphite mineralisation. The Company announced its Mahenge JORC compliant resource on 29 February 2016, which is the largest and highest grade resource in Tanzania and the 4<sup>th</sup> largest globally.*

*The company is building a skill and knowledge base to become a developer and diversified holder of graphite resources.*

*Shareholder value will be added by:*

- ✓ *identifying and securing graphite projects with economic potential*
- ✓ *focussing on tenure with scale potential that can be commercialised by converting into a JORC compliant resource; and*
- *developing the resource into a producing mine*

*Our current focus is on completing technical and financial studies to take the Mahenge Project into production.*
