Chairman's letter

Thursday, 8 September 2016

Dear Shareholder

As a valued Shareholder of NEXTDC Limited (**NEXTDC**), I am pleased to offer you the opportunity to participate in NEXTDC's recently announced, fully underwritten 1 for 9.1 accelerated non-renounceable pro rata entitlement offer of new NEXTDC ordinary shares (**New Shares**) at an offer price of \$3.74 (**Offer Price**) per New Share.

Entitlement Offer and Use of Proceeds

On Tuesday, 6 September 2016, NEXTDC announced its intention to raise approximately \$150 million via a placement to institutional investors to raise approximately \$50 million (**Placement**) and an accelerated non-renounceable pro rata entitlement offer to raise approximately \$100 million (the **Entitlement Offer**) (collectively, the **Capital Raising**).

The Placement and institutional component of the Entitlement Offer (Institutional Entitlement Offer) (collectively the Institutional Offer) was successfully completed before trading in NEXTDC shares recommenced on Thursday, 8 September 2016. The Placement was priced at \$4.06 per share, which was equivalent to a 1.0% discount to the last closing price on Friday, 2 September 2016 and an 8.6% premium to the Offer Price of \$3.74 per new share under the Entitlement Offer.

Attached to this letter is the information booklet (**Information Booklet**) relating to the retail component of the Entitlement Offer (**Retail Entitlement Offer**).

The Capital Raising proceeds is expected to provide NEXTDC with adequate funds to complete the initial investment in the proposed new data centre facility in Sydney (**New Facility**) with expected target total capacity of 30 MW and other general corporate purposes.

The proposed New Facility is described in more detail in NEXTDC's FY16 results market release and investor presentation lodged with the Australian Securities Exchange (**ASX**) on Tuesday, 6 September 2016 (and included in this Information Booklet in Section 3).

Retail Entitlement Offer

Under the Retail Entitlement Offer, Eligible Retail Shareholders have the opportunity to invest at the same price as the institutional investors who participated in the Institutional Offer. The number of New Shares for which you are entitled to subscribe under the Retail Entitlement Offer (**Entitlement**) is set out in your personalised Entitlement and Acceptance Form that is enclosed in the Information Booklet. The Offer Price of \$3.74 per New Share represents an 8.0% discount to Theoretical Ex-Rights Price (**TERP**)¹ and 8.8% discount to the closing price of NEXTDC of \$4.10 per share on Friday, 2 September 2016.

If you take up your full entitlement, you may also apply for additional New Shares up to a maximum of 50% of your Entitlement, at the Offer Price (**Top Up Facility**). Additional New Shares will only be available where there is a shortfall between Applications received from Eligible Retail Shareholders and the number of New Shares proposed to be issued under the Retail Entitlement Offer. NEXTDC retains the flexibility to scale back Applications for additional New Shares at its discretion (refer to Section 4 of this Information Booklet for more information).

The Entitlement Offer is non-renounceable and therefore your Entitlements will not be tradeable on the ASX or otherwise transferable. I encourage you to consider this offer carefully.

The Theoretical Ex-Rights Price (**TERP**) is calculated by reference to NEXTDC's closing price on Friday, 2 September 2016 of \$4.10 per share, being the last trading day prior to the announcement of the Capital Raising, including all New Shares issued under the Capital Raising. TERP is a theoretical calculation only and the actual price at which NEXTDC's shares trade immediately after the ex-date of the Capital Raising will depend on many factors and may not approximate TERP.

2 How to apply

2.1 Important information

You should read the enclosed carefully and in their entirety before making a decision about your Entitlement:

- Important Notices;
- Chairman's letter;
- ASX Announcements, including the Investor Presentation (and in particular the 'Key risks' section of the Investor Presentation);
- Additional Information;
- Entitlement and Application Form; and
- other information made publicly available by NEXTDC.

2.2 Overview

NEXTDC intends to raise approximately \$150 million under the Placement and Entitlement Offer.

NEXTDC will use the proceeds of the Placement and Entitlement Offer to:

- Fund the acquisition and "Phase 1" development of a new data centre facility in Sydney (S2); and
- Pay for the costs of the acquisitions and the Placement and the Entitlement Offer.

The Entitlement Offer is an offer of approximately 26.9 million New Shares at \$3.74 per New Share.

The Entitlement Offer has two components:

- (a) the Institutional Entitlement Offer Eligible Institutional Shareholders were given the opportunity to take up all or part of their Entitlement, and a bookbuild process to sell Entitlements not taken up by Eligible Institutional Shareholders as well as Entitlements of Ineligible Institutional Shareholders at the Offer Price was carried out, to raise approximately \$58 million; and
- (b) the Retail Entitlement Offer Eligible Retail Shareholders will be allotted Entitlements under the Retail Entitlement Offer which can be taken up in whole or in part. In addition, Eligible Retail Shareholders who take up their full Entitlement may also participate in the Top Up Facility by applying for additional New Shares in excess of their Entitlement, at the Offer Price. The Retail Entitlement Offer, including any New Shares issued pursuant to the Top Up Facility, is expected to raise approximately \$42 million.

Both the Institutional Entitlement Offer and the Retail Entitlement Offer are non-renounceable.

New Shares issued under the Retail Entitlement Offer are to be issued at the same price as New Shares issued under the Institutional Entitlement Offer. In addition, Shareholders' Entitlements under the Institutional Entitlement Offer are calculated based on the same ratio.

Determination of eligibility of investors for the purposes of the Entitlement Offer, and in particular, the question as to whether an eligible shareholder is an Eligible Institutional Shareholder or an Eligible Retail Shareholder, is determined by reference to a number of matters, including legal requirements and the discretion of NEXTDC and the Lead Manager. NEXTDC and the Lead Manager disclaim any liability in respect of the exercise or otherwise of that discretion, to the maximum extent permitted by law.

2.3 Institutional Offer

NEXTDC has already raised approximately \$108 million from Eligible Institutional Shareholders as part of the Placement, at \$4.06 per share, and Institutional Entitlement Offer, at \$3.74 per New Share. New Shares are expected to be issued under the Institutional Entitlement Offer on Thursday, 15 September 2016.

2 How to apply (cont)

2.4 Retail Entitlement Offer

The Retail Entitlement Offer is being made pursuant to section 708AA of the Corporations Act (as modified by ASIC Corporations (Non-Traditional Rights Issues) Instrument 2016/84) which allows rights issues to be offered without a prospectus, provided certain conditions are satisfied.

As a result, this offer is not being made under a prospectus and it is important for Eligible Retail Shareholders to read and understand the information on NEXTDC and the Retail Entitlement Offer made publicly available, prior to taking up all or part of their Entitlement. In particular, please refer to the materials enclosed in Section 3, NEXTDC's interim and annual reports, other announcements made available at www.nextdc.com or www.asx.com.au (including NEXTDC's annual report for the year ended 30 June 2016 released to ASX on 23 August 2016) and all other parts of this Information Booklet carefully before making any decisions in relation to your Entitlement.

The Retail Entitlement Offer constitutes an offer to Eligible Retail Shareholders, who are invited to apply for 1 New Share for every 9.1 Shares held on the Record Date. The Offer Price of \$3.74 per New Share represents a discount of 8.0% to TERP.

The Entitlement Offer is non-renounceable. Accordingly, Entitlements do not trade on the ASX, nor can they be sold, transferred or otherwise disposed of.

The Retail Entitlement Offer opens on Monday, 12 September 2016 and is expected to close at 5.00pm (Sydney time) on Monday, 26 September 2016.

2.5 Your Entitlement

An Entitlement and Acceptance Form setting out your Entitlement (calculated as 1 New Share for every 9.1 Shares held on the Record Date with fractional entitlements rounded up to the nearest whole number of New Shares) accompanies this Information Booklet. Eligible Retail Shareholders may subscribe for all or part of their Entitlement. If you have more than one registered holding of Shares, you will be sent more than one personalised Entitlement and Acceptance Form and you will have separate Entitlements for each separate holding.

Any New Shares not taken up by the Closing Date may be made available to those Eligible Retail Shareholders who took up their full Entitlement and applied for additional New Shares under the Top Up Facility. There is no guarantee that such Shareholders will receive the number of New Shares applied for under the Top Up Facility, or any. New Shares will only be allocated to Eligible Retail Shareholders if available and then only if and to the extent that NEXTDC so determines, in its absolute discretion.

Eligible Retail Shareholders should be aware that an investment in NEXTDC involves risks. The key risks identified by NEXTDC are set out in the section entitled "Key risks" from page 8 of the Investor Presentation (enclosed in Section 3).

2.6 Options available to you

The number of New Shares to which Eligible Retail Shareholders are entitled is shown on the accompanying Entitlement and Acceptance Form. Eligible Retail Shareholders may:

- take up their Entitlement in full and, if they do so, they may apply for additional New Shares under the Top Up Facility (refer to Section 2.7);
- take up part of the Entitlement, in which case the balance of the Entitlement would lapse (refer to Section 2.8); or
- allow their Entitlement to lapse (refer to Section 2.9).

Ineligible Retail Shareholders may not participate in the Retail Entitlement Offer.

NEXTDC reserves the right to reject any Entitlement and Acceptance Form that is not correctly completed or that is received after the Closing Date.

The Closing Date for acceptance of the Retail Entitlement Offer is 5.00pm (Sydney time) on Monday, 26 September 2016 (however, that date may be varied by NEXTDC, in accordance with the Listing Rules and the Underwriting Agreement).

2.7 Taking up all of your Entitlement or taking up all of your Entitlement and participating in the Top Up Facility

If you wish to take up all or part of your Entitlement, payment must be made via BPAY® by following the instructions set out on the personalised Entitlement and Acceptance Form. Payment is due by no later than 5.00pm (Sydney time) on Monday, 26 September 2016. If you apply to take up all of your Entitlement, you may also apply for additional New Shares under the Top Up Facility. If you are a New Zealand Shareholder who does not have an Australian bank account or is otherwise unable to pay by BPAY®, please call the NEXTDC offer information line on 1800 502 914 (within Australia) or +61 1800 502 914 (outside Australia) between 8.30am and 5.30pm (Sydney time) Monday to Friday (and refer to Section 2.13 below). Amounts received by NEXTDC in excess of the Offer Price multiplied by your Entitlement may be treated as an Application to apply for as many additional New Shares as your Application Monies will pay for in full.

If you apply for additional New Shares under the Top Up Facility and if your Application is successful (in whole or in part), your New Shares will be issued to you at the same time that other New Shares are issued under the Retail Entitlement Offer. New Shares will only be allocated to Eligible Retail Shareholders if available. If you apply for additional New Shares, there is no guarantee that you will be allocated any additional New Shares.

Refund amounts, if any, will be paid in Australian dollars. You will be paid either by direct credit to the nominated bank account as noted on the share register as at the Closing Date or by cheque sent by ordinary post to your address as recorded on the share register (the registered address of the first-named in the case of joint holders). If you wish to advise or change your banking instructions with the Share Registry you may do so by going to www.linkmarketservices.com and logging into the Investor Centre.

2.8 Taking up part of your Entitlement and allowing the balance to lapse

If you wish to take up part of your Entitlement, payment must be made via BPAY® by following the instructions set out on the personalised Entitlement and Acceptance Form. If you are a New Zealand Shareholder who does not have an Australian bank account or is otherwise unable to pay by BPAY®, please call the NEXTDC offer information line on 1800 502 914 (within Australia) or +61 1800 502 914 (outside Australia) between 8.30am and 5.30pm (Sydney time) Monday to Friday (and refer to Section 2.13 below). If NEXTDC receives an amount that is less than the Offer Price multiplied by your Entitlement, your payment may be treated as an Application for as many New Shares as your Application Monies will pay for in full.

2.9 Allowing your Entitlement to lapse

If you do not wish to accept all or any part of your Entitlement, do not take any further action and that part of your Entitlement will lapse.

2.10 Consequences of not accepting all or part of your Entitlement

If you do not accept all or part of your Entitlement in accordance with the instructions set out above, those New Shares for which you would have otherwise been entitled under the Retail Entitlement Offer (including New Shares that relate to the portion of your Entitlement that has not been accepted) may be acquired by the Underwriter or sub-underwriters or by Eligible Retail Shareholders under the Top Up Facility.

By allowing your Entitlement to lapse, you will forgo any exposure to increases or decreases in the value of the New Shares had you taken up your Entitlement and you will not receive any value for your Entitlement. Your interest in NEXTDC will also be further diluted as a result of the Entitlement Offer.

2 How to apply (cont)

2.11 Payment

Payment should be made using BPAY® if possible. New Zealand Shareholders who do not have an Australian bank account will be able to pay by cheque (refer to Section 2.13).

Cash payments will not be accepted. Receipts for payment will not be issued.

NEXTDC will treat you as applying for as many New Shares as your payment will pay for in full up to your Entitlement.

Any Application Monies received for more than your final allocation of New Shares will be refunded as soon as practicable after the close of the Retail Entitlement Offer. No interest will be paid to applicants on any Application Monies received or refunded.

If you are unable to pay by BPAY® please call the NEXTDC Limited offer information line on 1800 502 914 (within Australia) or +61 1800 502 914 (outside Australia) between 8.30am and 5.30pm (Sydney time) Monday to Friday and refer below to Section 2.13.

2.12 Payment by BPAY®

For payment by BPAY®, please follow the instructions on the personalised Entitlement and Acceptance Form. You can only make payment via BPAY® if you are the holder of an account with an Australian financial institution that supports BPAY® transactions.

If you are paying by BPAY®, please make sure you use the specific Biller Code and your unique Customer Reference Number (CRN) on your personalised Entitlement and Acceptance Form. If you have multiple holdings and consequently receive more than one personalised Entitlement and Acceptance Form, when taking up your Entitlement in respect of one of those holdings only use the CRN specific to that holding. If you do not use the correct CRN specific to that holding your Application will not be recognised as valid.

Please note that by paying by BPAY®:

- you do not need to submit your personalised Entitlement and Acceptance Form but are taken to make the declarations, representations and warranties on that Entitlement and Acceptance Form and in Section
- if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Shares which is covered in full by your Application Monies.

It is your responsibility to ensure that your BPAY® payment is received by the Share Registry by no later than 5.00pm (Sydney time) on Monday, 26 September 2016. You should be aware that your financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration in the timing of when you make payment.

2.13 If you are unable to pay by BPAY®

If you are a New Zealand Shareholder and are unable to pay by BPAY® please call the NEXTDC Limited offer information line on 1800 502 914 (within Australia) or +61 1800 502 914 (outside Australia) between 8.30am and 5.30pm (Sydney time) Monday to Friday.

NEXTDC encourages payments by BPAY® if possible.

If you are a New Zealand Shareholder who is completing a payment by cheque, you should complete your personalised Entitlement and Acceptance Form in accordance with the instructions on the form and return it accompanied by a cheque in Australian currency for the amount of the Application Monies, payable to 'NEXTDC Retail Offer' and crossed 'Not Negotiable'.

It is your responsibility to ensure that your payment by cheque is received by the Share Registry by no later than 5.00pm (Sydney time) on Monday, 26 September 2016. You must ensure cleared funds are held in your account as your cheque will be banked as soon as it is received. Please note that you should consider postal and cheque clearance timeframes in meeting this deadline.

Your cheque must be:

- (a) for an amount equal to \$3.74 multiplied by the number of New Shares that you are applying for; and
- (b) in Australian currency drawn on an Australian branch of a financial institution. Payment cannot be made in New Zealand dollars. New Zealand resident Shareholders must arrange for payment to be made in Australian dollars.

Please return your completed application form and cheque to the address below:

You should ensure that sufficient funds are held in relevant account(s) to cover the Application Monies as your cheque will be processed on the day of receipt. If the amount of your cheque for Application Monies (or the amount for which the cheque clears in time for allocation) is insufficient to pay in full for the number of New Shares you have applied for in your personalised Entitlement and Acceptance Form, you will be taken to have applied for such lower whole number of New Shares as your cleared Application Monies will pay for (and to have specified that number of New Shares on your personalised Entitlement and Acceptance Form). Alternatively, your Application will not be accepted.

2.14 Entitlement and Acceptance Form is binding

A payment made through BPAY® or a completed and lodged Entitlement and Acceptance Form together with the payment of requisite Application Monies constitutes a binding offer to acquire New Shares on the terms and conditions set out in this Information Booklet and, once lodged or paid, cannot be withdrawn. If the Entitlement and Acceptance Form is not completed correctly it may still be treated as a valid Application for New Shares. NEXTDC's decision whether to treat an acceptance as valid and how to construe, amend or complete the Entitlement and Acceptance Form is final.

By making a payment by BPAY® or by completing and returning your personalised Entitlement and Acceptance Form with the requisite Application Monies, you will also be deemed to have acknowledged, represented and warranted on behalf of each person on whose account you are acting that:

- (a) you have read and understand this Information Booklet and your personalised Entitlement and Acceptance Form in their entirety;
- (b) you agree to be bound by the terms of the Retail Entitlement Offer, the provisions of this Information Booklet, and NEXTDC's constitution;
- (c) you authorise NEXTDC to register you as the holder(s) of New Shares allotted to you;
- (d) all details and statements in the personalised Entitlement and Acceptance Form are complete and accurate;
- (e) you are over 18 years of age and have full legal capacity and power to perform all of your rights and obligations under the personalised Entitlement and Acceptance Form;
- (f) that once NEXTDC receives your personalised Entitlement and Acceptance Form or any payment of Application Monies via BPAY®, you may not withdraw your Application or funds provided except as allowed by law;
- (g) you agree to apply for and be issued up to the number of New Shares specified in the personalised Entitlement and Acceptance Form, or for which you have submitted payment of any Application Monies via BPAY®, at the Offer Price per New Share;
- (h) you authorise NEXTDC, the Lead Manager, the Share Registry and their respective officers or agents to do anything on your behalf necessary for New Shares to be issued to you, including to act on instructions of the Share Registry upon using the contact details set out in your personalised Entitlement and Acceptance Form;

- you are an Eligible Retail Shareholder and are not in the United States and are not a person (including nominees or custodians) acting for the account or benefit of a person in the United States and are not otherwise a person to whom it would be illegal to make an offer or issue New Shares under the Retail Entitlement Offer;

- you have not and will not send any materials relating to the Retail Entitlement Offer to any person in the United States or to any person (including nominees or custodians) acting for the account or benefit of a person in the United States.

2.15 Brokerage and stamp duty

No brokerage fee is payable by Eligible Retail Shareholders who accept their Entitlement. No stamp duty is payable for subscribing for New Shares under the Retail Entitlement Offer or for additional New Shares under the Top Up Facility.

2.16 Notice to nominees and custodians

The Retail Entitlement Offer is being made to all Eligible Retail Shareholders. Nominees with registered addresses in the eligible jurisdictions, irrespective of whether they participate under the Institutional Entitlement Offer, may also be able to participate in the Retail Entitlement Offer in respect of some or all of the beneficiaries on whose behalf they hold existing Shares, provided that the applicable beneficiary would satisfy the criteria for an Eligible Retail Shareholder.

Nominees and custodians who hold Shares as nominees or custodians will have received, or will shortly receive, a letter from NEXTDC. Nominees and custodians should consider carefully the contents of that letter and note in particular that the Retail Entitlement Offer is not available to:

- (a) beneficiaries on whose behalf they hold existing Shares who would not satisfy the criteria for an Eligible Retail Shareholder;
- (b) Eligible Institutional Shareholders who received an offer to participate in the Institutional Entitlement Offer (whether they accepted their Entitlement or not);
- (c) Ineligible Institutional Shareholders who were ineligible to participate in the Institutional Entitlement Offer; or
- (d) Shareholders who are not eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer.

In particular, persons acting as nominees for other persons may not take up Entitlements on behalf of, or send any documents relating to the Retail Entitlement Offer to, any person in the United States.

NEXTDC is not required to determine whether or not any registered holder is acting as a nominee or the identity or residence of any beneficial owners of Shares. Where any holder is acting as a nominee for a foreign person, that holder, in dealing with its beneficiary, will need to assess whether indirect participation by the beneficiary in the Retail Entitlement Offer is compatible with applicable foreign laws. NEXTDC is not able to advise on foreign laws.

2.17 Withdrawal of the Entitlement Offer

Subject to applicable law, NEXTDC reserves the right to withdraw the Entitlement Offer at any time before the issue of New Shares, in which case NEXTDC will refund any Application Monies already received in accordance with the Corporations Act and will do so without interest being payable to applicants.

To the fullest extent permitted by law, you agree that any Application Monies paid by you to NEXTDC will not entitle you to receive any interest and that any interest earned in respect of Application Monies will belong to NEXTDC.

ASX Release

6 September 2016

Rising utilisation sees NEXTDC announce Capital Raising for second Sydney data centre

NEXTDC Limited (ASX: NXT) ("NEXTDC" or "the Company") is pleased to provide a contracted utilisation update in relation to its Sydney ("S1") facility as well as the launch of an equity raising to fund investment in a second Sydney data centre ("S2").

Highlights

-) As a result of entering into an additional contract for the provision of data centre services to a major international customer for additional capacity of approximately 1.5MW ("the Customer"), S1's pro forma contracted utilisation has increased to 82%1 (from 71% at 30 June 2016)
-) New S2 data centre facility planned for Sydney on the back of this strong take up of capacity at S1
- Given ongoing spend across existing facilities as well as the new facilities in Brisbane ("B2") and Melbourne ("M2"), NEXTDC is seeking certainty of funding before embarking on the new S2 investment
- Fully underwritten capital raising comprising of:
 - Placement to institutional investors ("Placement") to raise approximately \$50 million at \$4.06 per share, equivalent to TERP² and an 8.6% premium to the Offer Price of \$3.74 per new share under the Entitlement Offer
 - 1 for 9.1 accelerated non-renounceable pro rata entitlement offer ("Entitlement Offer") to raise approximately \$100 million at \$3.74 per new share ("Offer Price"), representing an 8.0% discount to TERP2

(together the Placement and Entitlement Offer is the "Capital Raising")

> NEXTDC expects that the S2 facility will generate returns in excess of the Company's cost of capital, thereby generating additional value for shareholders over the longer term

New data centre facility in Sydney

NEXTDC continues to experience strong demand for its premium data centre services, with the Company's existing S1 Sydney facility currently nearing capacity constraints on the back of an

¹ Represents 30 June 2016 contracted utilisation of 71% adjusted for a subsequent contract signed with the Customer.

² The Theoretical Ex-rights Price ("TERP") is calculated by reference to NEXTDC's closing price on 2 September 2016 of \$4.10 per share, being the last trading day prior to the announcement of the Entitlement Offer. TERP is a theoretical calculation only and the actual price of NEXTDC's shares trade immediately after the ex-date of the Entitlement Offer will depend on many factors and may not approximate TERP.

approximate 1.5MW order from the Customer, resulting in S1's pro forma contracted utilisation increasing to 82%³. This new contract is with the same Customer with which the Company announced an initial contract on 11 December 2014 and exhausts its rights of first refusal relating to the S1 facility.

Accordingly, NEXTDC today announced its decision to develop a new data centre facility in Sydney with an expected target capacity of approximately 30MW. The Company is currently undertaking due diligence on several potential sites and expects practical completion of S2 in 1H FY18.

Consistent with its strategy at B2 and M2, NEXTDC intends to hold the underlying property at S2 once the facility is developed. Holding the underlying property at these facilities increases NEXTDC's control over the assets and is consistent with the increasing scale and strengthening operating leverage of the Company's operations. Ownership of the underlying property is also anticipated to provide access to more flexible, longer-term debt funding arrangements, which ultimately is expected to lower NEXTDC's cost of capital.

Commenting on S2, Chief Executive Officer, Mr Scroggie said:

"S1 has proven to be highly successful for the Company in a relatively short timeframe. We are confident that the demand in Sydney, together with our return expectations, warrants the next phase of investment."

Capital raising

In order to fund S2, NEXTDC today also announced the launch of a fully underwritten Capital Raising consisting of a Placement and Entitlement Offer.

The Placement will raise approximately \$50 million at \$4.06 per share, equivalent to the theoretical exrights price ("**TERP**"), and an 8.6% premium to the Offer Price of \$3.74 per new share under the Entitlement Offer.

The Entitlement Offer comprises a 1 for 9.1 accelerated non-renounceable pro rata entitlement offer to raise approximately \$100 million. The Entitlement Offer is being offered at a price of \$3.74 per new share, which represents a discount of 8.0% to TERP being \$4.06 and an 8.8% discount to NEXTDC's last closing price of \$4.10 on 2 September 2016.

Under the Entitlement Offer, eligible shareholders are invited to subscribe for one new NEXTDC ordinary share for every 9.1 existing NEXTDC shares held at 7.00pm (Sydney time) on 8 September

³ Represents 30 June 2016 contracted utilisation of 71% adjusted for a subsequent contract signed with the Customer.

2016. Shares issued under the Entitlement Offer will be fully paid and rank equally in all respects with existing NEXTDC ordinary shares from allotment.

The Entitlement Offer comprises an institutional component ("Institutional Entitlement Offer") and retail component ("Retail Entitlement Offer").

The Capital Raising is fully underwritten by the Sole Lead Manager and Bookrunner, Citigroup Global Markets Australia Pty Limited.

Use of funds

The Company intends to use the proceeds from the Capital Raising to fund the acquisition of land and the associated development of S2 as well as other general corporate purposes. In total, NEXTDC intends to invest between \$140 million to \$150 million in the development of S2 across FY17 and FY18, of which \$60 million to \$100 million is expected to be spent in FY17.

Key risks

Data centre utilisation	The proceeds of the equity raising are expected to primarily be used to fund the acquisition of land and construction of new data centres as well as to meet ongoing customer demand. However, there is no guarantee that such demand will continue or that existing customers will renew their data centre requirements through NEXTDC. This may impact utilisation which is the key component of NEXTDC's operational revenue.
Reduction in demand for data centre services	The market for data centres is characterised by rapidly changing technology, evolving industry standards, frequent new product and competitor introductions, changing laws (for example – data and privacy) as well as changing customer demands, and any reduction in demand for or increase or changes in supply of data centre services may impact NEXTDC significantly. There may be adverse trends in data centre outsourcing and co-location cloud provision.
Security risk	Security risks, including physical threats, loss of power, flooding, fire, explosion, aircraft impact, terrorism, malicious damage and external hacking and/or the malfunction of response equipment may have sustained and adverse impacts on NEXTDC's business viability through the loss of future revenues or payment of damages (not otherwise insured).
Development risk	NEXTDC is involved in the development of data centres, including the proposed new sites for S2, B2 and M2. Generally, development projects have a number of risks including (i) the risk that suitable sites or required planning consents and regulatory approvals, including approvals from the local water authority and the local power distribution grid operator, are not obtained or, if obtained, are received later than expected, or are adverse to NEXTDC's interests, or are not properly adhered to; (ii) the escalation of development costs (including the costs of construction and fit out and any associated delays) beyond those originally expected; (iii) unforeseeable project delays beyond the control of NEXTDC; and (iv) non-performance/breach of contract by a contractor or sub-contractor. Increases in supply or falls in demand could influence the acquisition of sites, the timing and value of sales and carrying value of projects. Other risks include contamination risk, risks relating to the contractual allocation of risk, financial leverage, technology risk, competition development risks, capital expenditure risk, contractor insolvency risk, financial leverage, technology risk, competition risk, a lack of industry diversification, CPI risk, reliance on management expertise and financial information and forecasts risk. In particular, NEXTDC is currently in the process of evaluating several sites for S2. There is a risk of project delays as a result of prolonged commercial negotiations with the vendors and commercial property agents of various sites for S2 that may lead to a failure to complete the site acquisition for S2 within the estimated timeline.
Future acquisitions	NEXTDC regularly evaluates mergers and acquisitions, property investments and other opportunities that it believes are consistent with its strategy. NEXTDC has a pipeline of potential acquisition opportunities that it is evaluating to drive future growth of the business, however there is no guarantee that NEXTDC will be able to successfully complete future acquisitions. Further, NEXTDC may not be successful in identifying future acquisition opportunities, assessing the value, strengths and weaknesses of these opportunities or finalising acquisitions on acceptable terms or at all. While it is NEXTDC's policy to conduct a thorough due diligence process in relation to any such acquisition, risks remain that are inherent in such acquisitions. NEXTDC's past and future acquisitions may subject it to unanticipated risks and liabilities, or disrupt its operations and divert management's attention and resources from NEXTDC's day-to-day operations.

Key risks

Customer contracts deliverable failure	NEXTDC's key deliverable to customers is the continuous and stable supply of key utilities, including electricity and water for power and cooling in accordance with its customer contracts. Any outage, being a failure to deliver power or cooling to a customer rack or space within the terms of a customer contract for a period of time, could result in service credits being applied to a customer account, reducing the amount payable to NEXTDC under a customer contract, or a requirement to pay compensation. In some rare circumstances (for example force majeure or a breach of contract which NEXTDC is not capable of remedying), an event or outage could result in the cancellation of a customer contract which would have a materially adverse effect on the financial performance of NEXTDC.
Reliance on key management personnel	NEXTDC depends on the talent and experience of its staff and employees. It is essential that appropriately skilled staff be available in sufficient numbers to support NEXTDC's business. While NEXTDC has initiatives in place to mitigate the risk of its key staff leaving, the loss of such staff may have a negative impact on NEXTDC.
Infrastructure and technology failure	NEXTDC relies on its infrastructure and technology to provide its customers with a highly reliable service. There may be a failure to deliver this level of service as a result of numerous factors, including human error, power loss, equipment failure, improper maintenance including by landlords and security breaches. Service interruptions, regardless of their cause, may cause contractual and other losses to NEXTDC.
Supply and pricing of utilities	NEXTDC and its landlords rely on third party providers for the supply of utilities to its data centres (including electricity and water). There is no guarantee that the third party providers will be able to consistently provide sufficient levels of utilities to NEXTDC at acceptable costs to satisfy demand requirements.
Lease risk	NEXTDC holds long term leases over M1, S1, P1, C1 and B1. Any breach or termination of these leases could have a material adverse impact on NEXTDC.
Funding risk	NEXTDC has entered into an Underwriting Agreement under which the underwriter has agreed to fully underwrite the Capital Raising, subject to the terms and conditions of the Underwriting Agreement. If certain conditions are not satisfied or certain events occur, the underwriter may terminate the Underwriting Agreement in respect of some events will depend on whether the event has or is likely to have a material adverse effect on the success, marketing or settlement of the Capital Raising, the value of the securities, or the willingness of investors to subscribe for securities, or where they may give rise to liability for the underwriter.
General risks	An investment in NEXTDC is also subject to general risks including those related to general economic conditions, availability of funding, refinancing requirements, foreign exchange risk, share price volatility, interest rates, debt covenants, financial distress of customers, attracting and retaining employees, health, safety and environment issues, litigation and disputes, financial forecasts, regulatory issues, changes in law, changes in accounting policy and standards, taxation implications, insurance issues, force majeure, counterparty risk, intellectual property risk and reputational risk.

4 Additional information

Eligibility of Retail Shareholders 4.1

The Retail Entitlement Offer is being offered to all Eligible Retail Shareholders only.

Eligible Retail Shareholders are Shareholders on the Record Date who:

- are registered as a holder of existing NEXTDC shares;
- have a registered address in Australia or New Zealand or are a Shareholder that NEXTDC has otherwise determined is eligible to participate;
- are not in the United States and are not a person (including nominees or custodians) acting for the account or benefit of a person in the United States;
- were not invited to participate in the Institutional Entitlement Offer and were not treated as an Ineligible (d) Institutional Shareholder under the Institutional Entitlement Offer; and
- are eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer. (e)

NEXTDC has determined that it is unreasonable to extend the Retail Entitlement Offer to Ineligible Retail Shareholders because of the small number of such Shareholders, the number and value of Shares that they hold and the cost of complying with the applicable regulations in jurisdictions outside Australia and New Zealand.

Ranking of New Shares

The New Shares issued under the Retail Entitlement Offer will be fully paid and rank equally with Existing Shares.

Allotment

NEXTDC has applied for quotation of the New Shares on ASX in accordance with Listing Rule requirements. If ASX does not grant quotation of the New Shares, NEXTDC will repay all Application Monies (without interest).

Trading of New Shares will, subject to ASX approval, occur shortly after allotment. It is expected that allotment of the New Shares under the Retail Entitlement Offer will take place on Tuesday, 4 October 2016. Application Monies will be held by NEXTDC on trust for Applicants until the New Shares are allotted. No interest will be paid on Application Monies.

Subject to approval being granted, it is expected that the New Shares allotted under the Retail Entitlement Offer will commence trading on a normal basis on Wednesday, 5 October 2016.

It is the responsibility of Applicants to determine the number of New Shares allotted and issued to them prior to trading in the New Shares. The sale by an Applicant of New Shares prior to receiving their holding statement is at the Applicant's own risk.

4.4 Reconciliation

In any entitlement offer, investors may believe that they own more existing Shares on the Record Date than they ultimately do. This may result in a need for reconciliation to ensure all eligible Shareholders have the opportunity to receive their full Entitlement.

NEXTDC may need to issue a small quantity of additional New Shares to ensure all eligible Shareholders have the opportunity to receive their appropriate allocation of New Shares. The price at which these New Shares would be issued, if required, is the same as the Offer Price.

NEXTDC also reserves the right to reduce the number of an Entitlement or New Shares allocated to eligible Shareholders or persons claiming to be eligible Shareholders, if their Entitlement claims prove to be overstated, if they or their nominees fail to provide information requested to substantiate their Entitlement claims, or if they are not eligible Shareholders.

4.5 Underwriting arrangements

NEXTDC and the Lead Manager have entered into an Underwriting Agreement. The Lead Manager has agreed to underwrite the Entitlement Offer on the terms and conditions set out in the Underwriting Agreement. The obligations of the Lead Manager are subject to the satisfaction of certain conditions precedent documented in the Underwriting Agreement. Furthermore, in accordance with the Underwriting Agreement, as is customary with these types of underwriting arrangements:

- (a) NEXTDC has (subject to certain limitations) agreed to indemnify the Lead Manager, its affiliates and its related bodies corporate and their respective officers, directors, agents, representatives, advisers or employees or any of their respective affiliates, successors or related bodies corporate against losses in connection with the Entitlement Offer;
- (b) NEXTDC and the Lead Manager have given certain representations, warranties and undertakings in connection with (among other things) the conduct of the Entitlement Offer;
- (c) the Lead Manager may terminate the Underwriting Agreement and be released from their obligations on the occurrence of certain events (in some cases, subject to the materiality of the relevant event), including (but not limited to) where:
 - (i) the S&P/ASX 200 Index published by ASX:
 - (A) is at any time before the First Settlement Date more than 10% below its level as at the close
 of trading on the ASX on the business day immediately preceding the date of the Underwriting
 Agreement (Starting Level); or
 - (B) closes on any Trading Day at a level that more than 10% below the Starting Level;
 - there is a material adverse change, or any development involving a prospective material adverse change, in the condition, financial or otherwise, or in the assets, earnings, business, results of operations, management or prospects of the NEXTDC group;
 - (iii) approval is refused or not granted or ASX states that it will not be granted, other than subject to customary conditions, to the official quotation of all the New Shares on ASX, or if granted, the approval is subsequently withdrawn, qualified (other than by customary condition) or withheld;

 - (viii) the due diligence committee report or any information supplied by or on behalf of NEXTDC to the Lead Manager for the purposes of the due diligence investigations, the Offer Materials (including this Information Booklet), or the Entitlement Offer, is false, misleading or deceptive (including by omission); and
 - (ix) NEXTDC withdraws the Entitlement Offer or indicates that it does not intend to or is unable to proceed with the Entitlement Offer;
- (d) the Lead Manager will receive a financial benefit as a result of their engagement as the underwriter to the Entitlement Offer by NEXTDC; and
- (e) without limiting any other express provisions of the Underwriting Agreement, notwithstanding that the Lead Manager may have assisted, and may continue to assist, NEXTDC in the preparation of the Offer Materials and in connection with promotional activities in relation to the Entitlement Offer, NEXTDC is responsible for the contents of, or omissions from, the final form of the Offer Materials (including this Information Booklet) and agrees to ensure that they comply with all applicable laws in relation to the Entitlement Offer.

4.6 Continuous Disclosure

NEXTDC is a "disclosing entity" under the Corporations Act and is subject to regular reporting and disclosure obligations under the Corporations Act and the ASX Listing Rules, including the preparation of annual reports and half yearly reports.

NEXTDC is required to notify ASX of information about specific events and matters as they arise for the purposes of ASX making that information available to the stock markets conducted by ASX. In particular, NEXTDC has an obligation under the Listing Rules (subject to certain exceptions) to notify ASX immediately of any information of which it is or becomes aware which a reasonable person would expect to have a material effect on the price or value of NEXTDC shares. That information is available to the public from ASX.

Australian taxation consequences

Below is a general guide to the Australian income tax, goods and services tax (GST) and stamp duty implications of the Retail Entitlement Offer for Eligible Retail Shareholders that hold their New Shares or additional New Shares acquired under the Top Up Facility on capital account.

The guide below applies only to Eligible Retail Shareholders who are Australian resident individuals, companies or complying superannuation entities. The guide does not apply to Eligible Retail Shareholders who:

- acquired, or were taken to have acquired, their Shares before 20 September 1985;
- are not a resident for Australian income tax purposes;
- hold their Shares as revenue assets or trading stock (which will generally be the case if you are a bank, insurance company or carry on a business of share trading); or
- acquired the Shares in respect of which the Retail Entitlements are issued under any employee share scheme or where the New Shares are acquired pursuant to any employee share scheme.

The guide does not take account of the individual circumstances of particular Eligible Retail Shareholders and does not constitute tax advice. It does not purport to be a complete analysis of the potential tax consequences of the Retail Entitlement Offer and is intended as a general guide to the Australian tax implications. Eligible Retail Shareholders should seek advice from an appropriate professional advisor in relation to the tax implications of the Retail Entitlement Offer based on their own individual circumstances.

The comments below are based on the Australian tax law as it applies as at 9.00am (Sydney time) on Tuesday, 6 September 2016. Other than as expressly discussed, the comments do not take into account or anticipate changes in Australian tax law or future judicial interpretations of law after this time unless otherwise specified. The comments also do not take into account tax legislation of any country other than Australia.

Issue of Entitlement

The issue of the Entitlement will not in itself result in any amount being included in the assessable income of an Eligible Retail Shareholder.

5.2 Exercise of Entitlement and applying for additional New Shares

New Shares will be acquired where the Eligible Retail Shareholder exercises all or part of their Entitlement under the Retail Entitlement Offer. Additional New Shares will be acquired where the Eligible Retail Shareholder acquires additional New Shares under the Top Up Facility.

An Eligible Retail Shareholder will not derive any assessable income, or make any capital gain or capital loss at the time of exercising their Entitlement under the Retail Entitlement Offer or acquiring additional New Shares under the Top Up Facility.

For Australian capital gains tax (CGT) purposes, New Shares will be taken to have been acquired on the day that an Eligible Retail Shareholder exercises their Entitlement and additional New Shares will be taken to have been acquired on the date the additional New Shares were issued to the Eligible Retail Shareholder. The cost base of each New Share and additional New Share will be equal to the Offer Price payable for each New Share and additional New Share respectively (plus any non-deductible incidental costs the Eligible Retail Shareholder incurs in acquiring the New Shares and additional New Shares).

5.3 Lapse of Entitlement

If an Eligible Retail Shareholder does not accept all or part of their Entitlement in accordance with the instructions set out above in Section 2, then that Entitlement will lapse and the Eligible Retail Shareholder will not receive any consideration for their Entitlement that is not taken up. There should be no tax implications for an Eligible Retail Shareholder from the lapse of the Entitlement.

5.4 Taxation in respect of Dividends on New Shares

Any future dividends or other distributions made in respect of New Shares will be subject to the same income taxation treatment as dividends or other distributions made on existing Shares held in the same circumstances.

5.5 Disposal of New Shares or additional New Shares

The disposal of New Shares or additional New Shares will constitute a disposal for CGT purposes.

On disposal of a New Share or additional New Shares, an Eligible Retail Shareholder will make a net capital gain if the capital proceeds received on disposal exceed the total cost base of the New Share or additional New Share. An Eligible Retail Shareholder will make a net capital loss if the capital proceeds are less than the total reduced cost base of the New Share or additional New Share.

Eligible Retail Shareholders that are individuals or complying superannuation entities and that have held their New Shares or additional New Shares for 12 months or more (excluding the date of acquisition and the date of disposal) at the time of disposal should be entitled to apply the applicable CGT discount factor to reduce the capital gain (after offsetting capital losses). The CGT discount factor is 50% for individuals and 33.33% for complying superannuation entities.

New Shares will be treated for the purposes of the CGT discount as having been acquired when the Eligible Retail Shareholder exercised their Entitlement or when the New Shares were issued under the Top Up Facility. Accordingly, in order to be eligible for the CGT discount, the New Shares must be held for at least 12 months after the date that the Entitlement were exercised or were issued under the Top Up Facility, as the case may be.

Eligible Retail Shareholders that make a capital loss can only use that loss to offset other capital gains from other sources i.e. the capital loss cannot be used against taxable income on revenue account. However, if the capital loss cannot be used in a particular income year it can be carried forward to use in future income years, provided certain loss utilisation tests are satisfied.

5.6 Taxation of Financial Arrangements

The application of the Taxation of Financial Arrangements (**TOFA**) provisions depends on the specific facts and circumstances of the Eligible Retail Shareholder. Eligible Retail Shareholders should seek advice from an appropriate professional advisor in relation to the implications of the TOFA provisions (if any).

5.7 GST

The taking up of the New Shares and additional New Shares will be classified as a "financial supply" for Australian GST purposes. Accordingly, Australian GST will not be payable in respect of amounts paid for the acquisition of the New Shares or additional New Shares. Subject to certain requirements, there may be a restriction on the entitlement of Eligible Retail Shareholders to claim an input tax credit for any GST incurred on costs associated with the acquisition of New Shares or additional New Shares acquired under the Top Up Facility.

5.8 Stamp duty

Stamp duty will not be payable in respect of the taking up of New Shares or additional New Shares on the assumption that all acquisitions occur when all of the securities in NEXTDC are quoted on the market operated by the ASX and no Shareholder (together with interests of associated persons and interests acquired under associated transactions) holds an interest of 90% or more in NEXTDC.
