AGUIA RESOURCES LIMITED – TRADING HALT

The Company requests an immediate trading halt until the opening of trading on Thursday 14 July 2016, pending the release of an announcement in relation to potential clarifications to the ASX release titled “Optimised preliminary economic assessment of the Tres Estradas Phosphate Project unlocks significant new value” made on 12 July 2016.

The Company is not aware of any reason why the trading halt should not be granted.

Thank you for your assistance.

Yours sincerely
