## **ML 6457**

WPG Resources Ltd (ASX: WPG) has been made aware of today's ASX release by Tyranna Resources Limited (ASX: TYX) ("Tyranna").

WPG notes Tyranna's claim to ownership of mineral rights pursuant to the joint venture agreement (the Western Gawler Craton Joint Venture ("WGCJV")) in the northern portion of EL 3270 (now EL 5661) known as "Jumbuck" and in respect to the recently granted Mining Lease No. 6457 ("the ML").

WPG's view is that neither Tyranna nor its subsidiary, Half Moon Pty Ltd holds or owns exploration or mineral rights under the WGCJV, or otherwise, in the Jumbuck area.

WPG wish to note that the current Challenger mine plan does not contemplate any mining from the ML.

### **Further Information**

*For further information please contact WPG's Managing Director & CEO, Martin Jacobsen or CFO Wayne Rossiter on (02) 9251 1044.*
